FIRST ORDER OF BUSINESS

Roll Call

Mr. Oliver called the workshop to order at 4:30 p.m.

SECOND ORDER OF BUSINESS

Audience Comments

There being none, the next item followed.

THIRD ORDER OF BUSINESS

Presentation of Point of Sale System

Mr. LaPierre gave a presentation on the Jonas Point of Sale System that can be used for accounting, membership, inventory, golf, food and beverage and activities tracking in a single platform.

FOURTH ORDER OF BUSINESS

Board Discussion

The board, staff and Mr. LaPiere discussed the following: Interaction between Members First and Jonas, seamless transition from Members First to Jonas for the residents, access by computer, tablet or by an app on your cellphone, push notification to members of events, how Jonas works with tee sheet providers, advantage of using EZ Links in conjunction with Jonas and Members First, activity tracking module, validation of member, capability of putting number of credits that a member has for a guest, multiple sales areas for food and beverage that can be tracked by location, can report beverages separate from food, inventory, ability to import data from the old system, golf menu, ability to customize preformatted templates, annual support agreement includes all upgrades, access to support lines, all inclusive, no one-time set up charge but training depends on the contract with Troon, not cloud based, totally client server, if the internet goes does you can still operate the property the only thing you won't have is credit card processing and anything new that lands dealing with email will be down, quality of connection of the four locations.

The workshop adjourned at 6:08 p.m.
