#### FIRST ORDER OF BUSINESS Roll Call

Mr. Oliver called the meeting to order at 6:34 p.m.

#### SECOND ORDER OF BUSINESS Audience Comments

There being none, the next item followed.

#### THIRD ORDER OF BUSINESS

Approval of the Minutes of the March 2, 2021 Meeting On MOTION by Mr. Payton seconded by Mr. Krueger with all in favor the minutes of the March 2, 2021 meeting were approved as presented.

#### FOURTH ORDER OF BUSINESS Update Regarding Open Items

#### A. Weir Repairs – Update/Ratification of Agreement

Mr. Oliver stated you have a copy of the agreement in the agenda packet. Are there any updates on that?

Mr. Acree stated we were supposed to meet this afternoon with Dennis to discuss the best access to the pond and Dennis could not join us, but we do feel the best path for access is at the cul-de-sac at Greyhawk and that gives them direct access to the back of the weir. We looked at it today and feel there is adequate space between the house and the property line to get through with the equipment and get the work done. There is no easement but I'm sure Katie is familiar with the agreement that Dennis typically asks for from the homeowner. He has done that in other districts and I asked him to send us a copy of the agreement to be signed.

Mr. Payton asked what is the timeline for getting those letters out and signed?

Mr. Acree stated in the time he is ordering structures and getting material to the job site I image it could all be done. The letter can get out within a day, it is a matter of getting him to sign it and sent back.

Mr. Oliver stated I would send letters to the resident to explain the request.

Mr. Warren stated I would be willing to knock on the door and explain the process rather than them getting the letter in the mail.

Katie will draft a letter to the homeowner explaining the process and the CDD will ensure that the property is returned to the original condition.

#### B. ACH Billing Process

Mr. Hahn stated I have been sending the board a review each month and I will continue to do that. I mentioned at the last meeting that we have a few residents that are 90 days delinquent and they can't charge anything or use the privileges of the club and we will continue to work to retrieve those funds.

#### C. Retractable Shade Screen System for Clubhouse

2

Mr. Hahn stated I met with a number of board members to discuss options and went back and forth with our contractor. They feel that we have an option to get support poles up against the beams versus a separation from the beam by cutting into the base. They have come back with a new design. Before they had a 3 X 3 steel post that was square and they came back with a design where their 3 X 3 post would have a beveled side that will fit up against the pillar, square on one side beveled on the other side, then they will be able to screw through the pillar into the 6 X 6 to hold it in place, which is the security and stability they need for it to function properly. This will be done at no additional cost to the district. I would like to move forward with the proposal that was presented to the board at the last meeting to do all those areas, five in total with a cost of about \$20,000 for the entire project.

On MOTION by Mr. Randy Smith seconded by Mr. Rick Smith with all in favor staff was authorized to contract for the retractable shade screen system for the clubhouse with ------ in the amount of \$------

#### **D.** Phase 5 Construction Matters

Mr. Biagetti stated I sent everyone an email with an update from Dream Finders last week. There has been a delay on the second lift of asphalt and they are hopeful that things will speed up in the month of April and be completed in May.

#### E. Phase 6 Construction Matters

There being none, the next item followed.

#### FIFTH ORDER OF BUSINESS

Consideration of Audit Evaluation Criteria and Authorization for Staff to Publish and RFP for Auditing Services

On MOTION by Mr. seconded by Mr. with all in favor the recommendation of the audit committee was accepted and staff authorized to publish the RFP for audit services.

#### SIXTH ORDER OF BUSINESS Staff Reports

South Village CDD

#### A. General Manager - Report

Mr. Hahn reviewed the operations report and updated the board on the cart path repair will be done in the next 60 days, along with smoothing the curves as previously discussed, quotes to replace door handle hardware at the clubhouse and drainage work on the golf course will be done over next 30 days.

#### **B.** District Counsel

Ms. Buchanan stated the COVID bill did pass and we will get that to staff so they can schedule in-person events.

#### C. District Manager

Mr. Oliver stated I want to remind everyone we will be starting the budget process and will bring a proposed budget to the June meeting and you will adopt a budget for FY22 at your August meeting. Staff will be working to put the budget together and the way it stands right now unless there is additional board guidance at our May meeting, we will assume assessment levels stay the same.

Mr. Hahn stated because the minimum wage increase that has been passed I have set up meetings with my staff to review all their budgets and we will be ahead of the curve this year.

#### **D.** District Engineer

There being none, the next item followed.

#### SEVENTH ORDER OF BUSINESS Supervisor's Requests

Mr. Warren asked the resident whose pool deck encroached into the easement, did they follow-up with an inspection and what we were going to do?

Mr. Hahn responded this gentleman is bringing someone out to look at his pool and his drainage in his backyard to see if it is his problem before he suggests that we go forward with ours. By the end of this week he will probably get back to us.

Mr. Warren asked what time of year did we go after the geese?

South Village CDD

Mr. Hahn stated we are in the nest problem now. We have been monitoring it, we have 12 geese on the golf course and we are taking the steps we can take and we will try to do away with those 12 geese and have them moved somewhere else.

Mr. Warren asked is the second seeding of the park coming up this month?

Mr. Biagetti responded we did the re-seeding on Wednesday last week, then they top dressed it and they feel confident that everything will be good.

Mr. Rick Smith asked about the security patrol car.

Mr. Biagetti responded they had a car that was totaled but I should have an update by the end of the week.

Mr. Rick Smith asked about the after hours use of the deck.

Mr. Payton stated I talked to Jim about it and I'm assuming none of the five of us have had a conversation with that group of people. The current policy is that after hours that is closed.

Mr. Hahn stated we have tried to keep it low key and talked to them cordially explaining why they can't be here. Our security company has spoken to them three or four times, our onsite management staff has spoken to them ten times. It has gotten better, but it is still happening. We are going to continue to talk to them. My next step is to send them a letter through Katie that we have asked you many times to leave and you are still not adhering to the policies and the hours of operation, you need to end this or further action will be taken.

Mr. Payton stated I don't mind sitting down with them and see what privileges they think they should have that they don't have. It is unlikely there are policy changes we can make to allow that, but I'm willing to explore it. There are issues with liability and injury and things like that. We have complaints from residents about use of the deck late at night.

Mr. Randy Smith stated you presented a self-assessment when you came on board. Is it something that you would normally do on an annual basis?

Mr. Hahn stated that was the first one. What we will give you is a marketing plan, which will be part of the budget that will highlight everybody's department and area, the success we have and our plans going forward, but we can do a self-assessment again.

Mr. Krueger stated my house is for sale, I have a contract on it and most likely the next meeting will be my last.

Mr. Oliver stated what we have done in the past is send a notification to the residents that there is a vacancy on the board and ask interested residents to provide their resume or letter of

5

South Village CDD

interest and the board can review those at a CDD meeting. The four remaining board members would make the appointment.

Mr. Payton asked can we do a survey or street signs? I think some are being replaced. Will you get with the county and see if they will replace the street signs?

Mr. Biagetti stated I will do that.

- Mr. Payton asked can you put together a list of non-golf repairs that are pending?
- Mr. Hahn stated the restrooms are one, both will be redone, the park.
- Mr. Biagetti stated we just got the second bid on the athletic center for the balconies.
- Mr. Payton asked is there an update on this playground?

Mr. Biagetti responded I believe late May was the 14 weeks for production, but we haven't received notice of a delay.

Mr. Payton stated this summer when school gets out I plan to undertake the project to try to get pedestrian crosswalks in our neighborhood. We have new commissioners and county staff at the public works department and I will try again to get those painted on our roads as is.

Mr. Warren stated last year I reached out and had the county spray the golf course for mosquitoes. Can we reach out and get that done again?

Mr. Hahn stated we will do that.

Mr. Oliver called the audit committee meeting to order at 6:30 p.m. and called the roll.

#### SECOND ORDER OF BUSINESS Review and Selection of Audit RFP Criteria

Mr. Oliver stated each year as a unit of government in Florida we are required to go through an independent audit and Florida Statutes, Chapter 218 requires that the district form an audit committee for the process of selecting an auditor.

The first thing we will do is have the audit committee approve the evaluation criteria and when we seek proposals, we will bring them back and the audit committee will rank those proposals based on those criteria. You have five criteria equally weighted at 20 points each that we use for most audit proposals and that is ability of personnel, proposer's experience, understanding scope of work, ability to furnish the required services and price.

On MOTION by Mr. Payton seconded by Mr. Krueger with all in favor the audit RFP evaluation criteria was approved.

Matthew,

CCUA meters should be installed in a few weeks and Flatwork and landscape will begin in the park and tract. Entry features have been slow as there was some work that needed to be completed on locations. We hope to have permits in hand in May and start construction. It also looks like we will be at our percent complete to start working on curb replacement and second lift in May.

Thank you,

The Annual Plan and Budget shall also include a scope of work that outlines the work that Manager is reasonably expected to perform in the upcoming year ("Scope of Work"). The Annual Plan and Budget shall describe the major management goals and intended actions for the ensuing year, in reasonable detail, so as to enable Owner to evaluate the intended conduct of the affairs of the Facilities during that period. RAB Initials

to operate the Facilities properly without sufficient funds and that the proposed Annual Plan and Budget and any proposed subsequent modifications thereof, are necessary for such continuous, efficient operation of the Facilities. Therefore, if Owner disapproves of Manager's recommended Annual Plan and Budget, or if Owner disapproves of proposed subsequent modifications to the Annual Plan and Budget, or if Owner and Manger are unable to reach agreement as to the amount to be budgeted for operating expenses for any fiscal year, both parties herewith agree to exercise every reasonable effort to reach mutual agreement. In the event Owner and Manager still are unable to reach mutual agreement on the Annual Plan and Budget for operating expenses (not including Capital Items) prior to the commencement of the applicable fiscal year, the aggregate amount of operating expenses (not including Capital Items) reflected in the Annual Plan and Budget for the preceding fiscal year adjusted pursuant to Section 16.10 below, shall be the amount of expenses authorized as the Annual Plan and Budget for the new fiscal year, until such time as a new Annual Plan and Budget has been agreed upon by Owner and by Manager.

(d) Whether the Annual Plan and Budget for operating expenses is established by mutual agreement, or established in accordance with the provisions of the preceding paragraph (c), it shall be the responsibility of the Owner to provide sufficient funds for the operation of the Facilities in accordance with the level of expenditures set forth in the Annual Plan and Budget. In the event Owner shall fail to provide sufficient operating funds to fulfill the Annual Plan and Budget as established by the provisions herein, Manager may elect to terminate this Agreement under the provisions of Section 11.1 hereof, upon one hundred twenty (120) days written notice to Owner.

3.3 **Bank Accounts: Flow of Funds.** This Agreement contemplates that the flow of funds received and disbursed in connection with the operation of the Facilities shall be conducted through and controlled by a system of accounts established by agreement of Owner and Manager.

(a) Owner shall establish and/or maintain such bank or other deposit accounts as Owner and Manager shall mutually agree are necessary for the efficient operation of the Facilities and control of the flow of funds received and disbursed in connection with such operation, in its name at a bank(s) or other financial institution(s) mutually agreed upon by Owner and Manager. Owner's and Manager's designees (as approved by Owner) shall be the only parties authorized to draw upon such account. All revenues and receipts arising from operation of the Facilities shall be deposited into such accounts, and in no event shall such amounts deposited in any accounts established under this Agreement be co-mingled with any other funds of Manager or any third party. (These accounts shall hereinafter be referred to as the "Operating Accounts").

(b) Owner is required to maintain a balance within the Operating Accounts listed above for the normal operating cash needs of the Facilities (the "Minimum Funds Balance"). The Minimum Funds Balance shall be the greater of (i) the dollar amount of the Annual Budget for the month following the current month or (ii) Fifty Thousand Dollars (\$50,000). Upon Manager's notifying Owner of any current or pending deficit to the Minimum Funds Balance, Owner shall have five (5) days to deposit into the Operating Account(s) the funds necessary to cover such deficits and to restore the Minimum Funds Balance. If Owner does not fund the Minimum Funds Balance , Manager shall not be responsible to cover such operating expenses shortfalls.

#### 3.4 Status of Manager and Staff.

(a) Owner shall continue to employ the existing manager(s) of the Facilities until the Effective Date. On the Effective Date, the Owner shall facilitate the transfer of the employees of the existing manager(s) of the Facilities to Manager's employment platform (the "Employee Transition Date"). Commencing on the Employee Transition Date, all persons hired by Manager to assist it in performing its duties and obligations set forth in this Agreement shall be direct employees of Manager. From and after the Effective Date, Manager shall hire, train, promote, discharge, and supervise the work of the executive staff and all employees of the Facilities. Prior to the Effective Date, Manager, as Owner's agent

RBB Initials

and for and on behalf of Owner shall hire, train promote, discharge and supervise the work of the executive staff and all employees of the Facilities. Manager is responsible for the payment for all salary, payroll, overhead, employment taxes and benefits, in accordance with the Annual Plan and Budget approved by Owner, such payments to be payable every two weeks in accordance with payroll dates. Manager shall be entitled to make such reimbursement from the account(s) established pursuant to Section 3.3 and in the event that funds on deposit in such account(s) are insufficient, an unreasonable failure by Owner to make such reimbursement within thirty (30) days after being notified of such deficiency shall constitute an Event of Default hereunder.

(b) Manager shall be responsible for compliance with all laws, regulations and tax requirements relative to payroll and employment with all such expenses to be reimbursed by Owner per 3.4(a).

(c) Manager shall be an independent contractor and neither Manager nor its employees shall not be considered employees of Owner for any purposes, including, but not limited to, the application of the Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Revenue and Taxation Code relating to income tax withholding at the source of income, the Workers' Compensation Insurance Code. 401(k), any other employment-related benefits or payments and third party liability claims. Manager shall retain sole and absolute discretion in the manner, method and means of carrying out its activities and responsibilities under this Agreement. This Agreement shall not be considered or construed to be a partnership or joint venture, and Owner shall not be liable for any obligations incurred by Manager unless specifically authorized in writing or by the terms of this Agreement. Manager shall not act as an agent of Owner, ostensibly or otherwise, nor bind Owner in any manner, unless specifically authorized to do so in advance in writing or by the terms of this Agreement.

3.5 Accounting. With the approval of Owner, and within 30 days of the Effective Date of this agreement, Manager shall establish and supervise an appropriate accounting and cost control system to be maintained at Owner's expense. The staffing plan for the Facilities shall provide for an individual with administrative bookkeeping skills, who shall have responsibilities for maintaining on-site financial records, compiling data, processing receivables, payables and other similar duties and reporting to Manager. Charts of accounts and all accounting systems shall be maintained in accordance with ordinary accounting procedures and generally accepted accounting principles and reviewed with Owner as requested. Complete financial statements shall be furnished by Manager to Owner through the month of termination of this Agreement, as provided for in Section 5 below.

All accounting systems and software, procedures and manuals and related materials utilized by Manager in providing services shall be and remain the exclusive property of Owner.

Upon termination of this Agreement for any reason, all source documents, work papers, financial statements relating to past periods, and other supporting documents shall be and remain the property of Owner.

Any on-site equipment or systems purchased by Owner, such as cash registers or computers, also shall be and remain property of Owner. Upon termination of this Agreement and payment to Manager of all sums not in dispute and therefore due and owing to Manager by Owner, Manager shall transfer all policies and procedures manuals to Owner, which shall accurately reflect all the current policies and procedures, and Manager shall be relieved of any obligations to update said manuals thereafter. Owner recognizes the proprietary nature of such documents and agrees that they shall only be utilized in connection with the operation of the Facilities. Manager will also transfer to Owner all computer passwords, contracts, warranties, keys, account numbers and other items necessary for Owner to continue the uninterrupted operation of the Facilities.

Troon is in the process of obtaining quotes for property and liability and property insurance coverage. Troon will do all of the investigative work for Troon to hold premium on boht. If it is cheaper, then Troon will do both. If liability is different, the Troon would cover the difference between the Troon coverage at \$10,000,000 and CDD coverage at \$1,000,000.

In no event it would cost CDD more money.

# Letter of Interest Requesting to be Considered to Fill the South Village CDD Board

# Seat Number 5 that Expires in November 2022

Allan Brink 1235 Harbour Town Drive Orange Park, FL 32065 (904) 214-9766 Brink9766@bellsouth.net

I would like to formally be considered for Seat Number 5 on the South Village CDD Board that will be vacated by Grant Krueger in 2021. Vice Chairman Krueger's term expires in November 2022 and I would be honored to be appointed to his seat. I am a registered voter residing in Eagle Landing.

I have been going to the South Village CDD meetings for approximately 15 years. I possess excellent historical and current knowledge of CDD issues. I can be appointed to seat 5 and not have to spend months attending meetings to get up to speed on what issues are prevalent to the board and the community at large.

I am a highly effective leader with the ability to develop and be an integral part of an extremely motivated and vastly productive team. I am easy to work with. I have exceptional communication skills, adapt to stressful situations and possess excellent negotiation skills. During my career, I was a responsible member of the top management team and was relied on for authoritative advice on all aspects of management. I would be a valuable asset to the CDD Board and our community. My priorities at this time are a new playground near the Kid's Club and finishing the construction of the weir.

I want to do my duty by volunteering for the board. I believe that now is the time for me to volunteer and be appointed to the CDD Board.

Please see my attached biography for your reference and consideration.

Brink Bio for the CDD Board.docx

## NAME: Allan Brink

ADDRESS: 1235 Harbour Town Drive, Orange Park, FL 32065

I was born and raised in Watertown, South Dakota. My ancestors were farmers who came to South Dakota during the Homestead Act and Timber Act. My family has owned the same plot of land in the Dakotas since the late 1800s.

In High School I actively participated on the swim team and ran track. I was also the Vice President of the largest Debate Team in the Nation. I was involved in Student Congress and was responsible for getting bills passed through the South Dakota Legislature. In High School I performed farm work and managed two multi-pool complexes.

I have a Bachelor's of Science Degree in Business Administration with a Speech Minor from Mankato State University. I also have a Master's Degree in Counseling from Winona State University. I graduated Magna Cum Laude from graduate school. This was the highest honor awarded at my institution. I worked myself through college by managing pools. I also worked in the fields hauling hay, straw, flax and alfalfa. My main source of income was performing factory work at Green Giant on the pea and corn pack in the summers.

I served in the U.S. Air Force when I graduated from college where I excelled in Combat Intelligence. I was a successful mission planner and briefer where I was credited for giving over 3,000 briefings. In the field I taught Aircrew Members Code of Conduct, Escape and Evasion and Interrogation Techniques. I received numerous awards such as Airman of the Quarter, Outstanding Unit Intelligence Airman and the Intelligence Airman of the Year for the Strategic Air Command. Additionally, I was nominated for Airman of the Year for the U.S. Air Force.

I am a retired Federal Service employee who specialized in Human Resources. I worked for the Veterans Health Administration and the United States Navy. I was instrumental in moving the Veterans Health Administration Human Resources from a paper to a paper-less society. When this was achieved there was a Human Resources labor cost savings of approximately 90%. While working for the Veterans Health Administration I was presented with the Vice-Presidential Scissor Award for my role in the spearheading the Welfare-to-Work Program for cutting the red tape to get people employed. I also received a Vice-Presidential Hammer Award for my role in automating Human Resources (HR) and significantly decreasing the HR cost to the Federal Government. I then took a job with the US Navy, where I was the Director of the Navy's Automated Recruitment Systems.

I purchased by my home in Eagle Landing in 2005 and I have been a resident since 2006. I actively attend the Eagle Landing at Oakleaf Plantation Homeowners Association (HOA), South Village Community Development District (SVCDD) and the Sheriff's Neighborhood Engagement Team (NET) meetings. I am a full golf member and enjoy playing tennis, pickleball and trivia at Eagle Landing. I am a frequent patron of the restaurant so I work out at the gym and the pool complex.

I volunteer my time as a Veterans' Advocate. I have assisted numerous veterans with their Veterans Benefits and have taken many Veterans through the arduous process of obtaining disability benefits through the Veterans Administration from initial claim submission through the lengthy appeal process. I have written hundreds of resumes for Veterans seeking employment in the Federal Service with an 80% success rate.

#### SOUTH VILLAGE COMMUNITY DEVELOPMENT DISTRICT BOARD OF SUPERVISORS

ssweeting@gmsnf.com

Board members,

My name is Stephanie Mitchum and I respectfully request your consideration for filling the SVCDD seat 5 vacancy. I feel that I am fully capable and qualified for this position, as well as uniquely vested in this amazing neighborhood. I am a fair, compassionate person who strong relationships in our neighborhood and stands up for what I believe in.

I am originally from Swansboro, North Carolina. I come from an extremely close family with strong family values and that is very important to me. I graduated from Whiteville High School in 1991. In 1992, I married my high school sweetheart, Mark Mitchum, and became a military wife. We spent 24 years in the U.S. Navy and raised three wonderful children. During this time, while raising my own children, I also ran a military/state licensed childcare business from my home for 13 years. I also managed Theresa and Co. hair salon for five years. The Navy enabled us to travel and experience numerous beautiful places while creating many wonderful, lifelong relationships. In 2000 we moved to Orange Park, FI and have been here (minus 2 ½ years) ever since. In 2005, we purchased our first home in Eagle Landing. We have lived in and out of the neighborhood (3 homes) since then and have owned our current home since 2014. Eagle Landing has played a significant role in our family's lives. My

son was a lifeguard at the pool from ages 16-18 and is now 29. My oldest daughter worked at the Clubhouse for several years and is now 26. My youngest daughter practically grew up in this neighborhood and swam on the Eagle Landing swim team for several years as well. She is now 20. We have witnessed, first hand, this community grow into a thriving, diverse, and close-knit community and have established many close personal friendships and relationships with neighbors as well as staff members. I truly believe that Eagle Landing is an exclusive place to live, and is the most friendly, diverse, and welcoming community in all of Clay County. I am proud to call it our home for over 10 years now. Thank you for your time and consideration for this vital and important role. I pledge to serve with loyalty, honor, and character if given the opportunity.

Very respectfully,

Stephanie Mitchum
