January 30, 2024

Board of Supervisors South Village Community Development District

Dear Board Members:

The South Village Community Development District Meeting is scheduled for Tuesday, February 6, 2024 at 6:30 p.m. at the Eagle Landing Residents Club, 3975 Eagle Landing Parkway, Orange Park, Florida 32065.

Following is the advance agenda for the meeting:

- I. Roll Call
- II. Audience Comments
- III. Approval of Minutes of the January 9, 2024 Meeting
- IV. Update from Clay County Sherriff's Office Community Affairs Department on Holiday Events
- V. Consideration of Proposals:A. Monument Neighborhood Sign Proposal
  - B. Shade Awnings in Pool Area
- VI. Consideration of Capital Reserve Study Proposals
- VII. Discussion of District Purchasing the Sales Center
- VIII. Consideration of TV Replacements
  - IX. Staff Reports A. General Manager 1. Report

- 2. Consideration of Top Tracer
- B. District Counsel
- C. District Manager
- D. District Engineer
- X. Supervisor's Requests
- XI. Audience Comments
- XII. Financial Reports
  - A. Balance Sheet as of December 31, 2023 and Statement of Revenues and Expenses for the Period Ending December 31, 2023
  - B. Assessment Receipt Schedule
  - C. Approval of Check Register
- XIII. Next Scheduled Meeting: March 5, 2024 @ 6:30 p.m. @ Eagle Landing Residents Club
- XIV. Adjournment

#### **Board Oversight**

- A. Chairman Payton Landscape Maintenance & Parks
- B. Vice Chairman Warren Golf
- C. Supervisor Frechette Food & Beverage
- D. Supervisor Brink Aquatics Center
- E. Supervisor Osbeck Athletics

THIRD ORDER OF BUSINESS

#### MINUTES OF MEETING SOUTH VILLAGE COMMUNITY DEVELOPMENT DISTRICT

The regular meeting of the Board of Supervisors of the South Village Community Development District was held Tuesday, January 9, 2024 at 6:30 p.m. at the Eagle Landing Residents Club, 3975 Eagle Landing Parkway, Orange Park, Florida.

Present and constituting a quorum were:

Chairman
Vice Chairman
Supervisor
Supervisor
Supervisor
District Manager
District Counsel by telephone
District Engineer by telephone
Director of Operations, Honours Golf
General Manager, Honours Golf
Golf Professional, Honours Golf
Operations, Honours Golf

The following is a summary of the actions taken at the January 9, 2024 meeting.

#### FIRST ORDER OF BUSINESS Roll Call

Ms. Giles called the meeting to order at 6:35 p.m. and called the roll.

#### SECOND ORDER OF BUSINESS Audience Comments

Mr. Antonacci stated item five is my proposal and I would like to table that for any discussion until a future date.

Mr. Dye stated if there were a way to get an executive summary of the budget I would find that very helpful.

#### THIRD ORDER OF BUSINESS

## Approval of the Minutes of the November 7, 2023 Meeting

On MOTION by Mr. Brink seconded by Mr. Payton with all in favor the minutes of the November 7, 2023 meeting were approved as presented.

#### FOURTH ORDER OF BUSINESS Discussion of Capital Reserve Study

Ms. Giles stated this came up at the last meeting. We have capital reserve studies for the golf course and one for the community, both are dated 2018. Tonight, the discussion is whether or not the board wants to have a more current capital reserve study done for both. The current studies are based on inflation from 2018.

Mr. Payton stated I think we should move forward with the proposal for budgeting purposes.

On MOTION by Mr. Payton seconded by Mr. Warren with all in favor staff was authorized to solicit proposals to update the capital reserve study.

#### FIFTH ORDER OF BUSINESS

#### Consideration of Proposals to Purchase South Village CDD Common Vacant Land for Personal Residential Use

Ms. Giles stated on your table and also emailed to you is a request from a resident interested in purchasing the welcome center.

Mr. Antonacci stated the letter I provided is self-explanatory, I'm trying to find someplace in the neighborhood where I can build or modify or whatever a larger home for my family. This is my latest proposal.

Mr. Payton stated we aren't talking about you buying from us.

Mr. Antonacci stated I'm looking into this. I know there are a lot of issues that overlap between the CDD and the owners of that property. I'm presenting myself as a cooperative, collaborative person to hopefully do some business with to make that an area in the neighborhood that is beneficial to both parties.

Mr. Payton stated from my standpoint it doesn't make a lot of sense for me to have someone living there in a single-family home. There is a lot of interaction between the district and that

building. It is right next to the pool, right next to the cabana bar. That place is loud and with some rough language sometimes.

The District is still looking to purchase that property as well from the developer. I have concerns about the parking lot. I would also be concerned that you would be in the meeting frequently with concerns about district activities going on right next to your home. It is very expensive to move the equipment in the building, which is why it is still in that building today.

Mr. Antonacci stated the CDD does not have sole rights to purchase that building. The building itself is zoned for residential and commercial. If a private investor purchases that property you could end up with almost anything. I'm coming to the board saying a as a resident I have a vested interest in this community, I understand the risks of activities that are going on in that area. I presented some ideas of what I think would work to make it a residential area, but if someone came in and makes an offer that was accepted before you go to them, it would be a very different discussion between whoever that entity was and the CDD. I thank you for your consideration.

Mr. Warren asked Katie can look into that for us. I can't imagine that property not coming with a lot of easements and stuff like that. I think where you are showing the property line it is cutting off the walkway. We need to check to see who has rights to the parking lot.

#### SIXTH ORDER OF BUSINESS Consideration of Tennis Policy

Mr. Biagetti stated staff felt this was in line with numerous other clubs throughout the area. We have multiple teams and leagues that play tennis at Eagle Landing and we have always accepted Oakleaf residents as part of our own so we can build teams and have teams for our residents to be able to play. We implemented at the beginning of the sign-ups a \$30 non-resident fee to Eagle Landing for residents that live outside Eagle Landing and Oakleaf and we are asking the board for approval.

Mr. Brink stated I am against this policy. My wife captains five leagues and there has been a ripple effect already. A lot of people are not signing up for future leagues because they play in various leagues. If they play on three or four other leagues that is \$100 and that is why people are dropping out and with that there are not enough people to fill out the roster so we would have to move our leagues elsewhere.

Mr. Payton stated the other places they go to also charge.

Mr. Brink stated yes.

Mr. Payton stated right now we are being taken advantage of because we don't normally charge a fee and that resulted in entire teams of mostly non-residents. We should get some money back; we all paid to build and maintain the facilities and it is very nice and I have heard some have concerns about paying the \$30. Where are they going to go? Everyone is charging \$25 to \$30.

Ms. Giles asked would we have to have a rate hearing for that?

Ms. Buchanan stated yes to incorporate a new rate into our policy. We can see whether you have a promotional rate provision, which would allow you to implement it immediately.

Mr. Payton stated we already have a guest fee policy.

Ms. Giles stated on the last page of the amenity facility policy there is a promotional policy listed.

Ms. Buchanan stated we can use that. I believe it is intended to be temporary so we would want to go through the rate-making process, but you could rely on that for now.

On MOTION by Mr. Payton seconded by Mr. Warren with four in favor and Mr. Brink opposed, the promotional policy was accepted as written and staff was authorized to notice a ratemaking hearing.

#### SEVENTH ORDER OF BUSINESS Staff Reports

#### A. General Manager

#### 1. Report

Mr. Hahn stated I want to recognize Josh and his tenure here at Eagle Landing. Josh has decided to move on with his career at another Troon property by his hometown. We thank him for the many years he was here and wish him the very best.

We found one of the pumps for the waterfall had a bad starter and we should be in good shape once that starter is installed.

The bonus scorecard you created we want to take time to look at the redundancy on the restaurant side with whoever you choose to do so.

Mr. Payton stated I will be happy to work with you.

Mr. Hahn stated the last quarter of 2023 we recognized two staffers one from food and beverage and one from the golf side, Tabitha Hay and Denver Torruella.

I gave the board members a spreadsheet for funding. As you know all the assessments from golf from the community went into the capital reserve fund and we talked about a request for

funding each quarter if there is needed funding. There are also expenses that are paid upfront such as insurance, prepaid chemicals and taxes. We are requesting funding of \$155,328 to go into the golf fund. Once we get into March, April, June there should be a positive cash flow and no need for a funding request.

On MOTION by Mr. Payton seconded by Mr. Warren with all in favor a transfer from the general fund into the golf fund of \$155,328 was approved.

#### 2. Consideration of Top Tracer

Mr. Hahn stated we are looking in detail to come up with some firm numbers for the first tee or top tracer project we are looking at.

Mr. Warren stated I think this is a positive for the neighborhood, we need to find another revenue stream. We have a lot more groundwork to do because it would be a major investment.

#### 3. Consideration of 2<sup>nd</sup> Quarter Assessments for Golf and Rec

Mr. Hahn stated I asked staff to put together prices of other golf courses and we are by far the lowest priced golf course by over \$1,000. The courses we are talking about are Bank Creek, Eagle Harbor, St. Johns, South Hampton, Queens Harbor, Fleming Island and Magnolia. Bank Creek on average is \$3,600 to be a member where our single members pay \$2,500 and a cart fee. St. Johns is \$3,500 for a single with \$1,400 trail fees. South Hampton is about \$6,000 with the membership fee and trail fee. We average \$3,600 a year between membership and trail fee. I hate to see rates go up but fair is fair. Every player I have talked to who is a regular player does not want to lose Saturday mornings once a month which may be where we have to eventually head as revenue continues to go up. We were \$60,000 short and it is clear we can fix it if we became competitive. Other clubs have \$3,000 to \$4,000 initiation fees; ours is \$1,000. I think it is reasonable to increase membership, value of that membership, but to do that we need to be at a price point to generate revenue. For every nine who says they are on board to make sure they have access to their course and want to make sure we continue to improve it that they are okay with the increase. I do come across a few who say they don't want to see rates go up. After further discussion the board agreed to increase the rate of a resident single to \$250 per round and resident family \$250 per round and 25% for non-residents to be effective the next billing period.

#### B. District Counsel – Memorandum Regarding Ethics Training

A copy of the memorandum regarding ethics training was included in the agenda package.

#### C. District Manager

Ms. Giles stated this ethics training you will be doing you will report it on the 2025 form 1 and you may have received an auto-generated email from the State of Florida Commission on Ethics. It looked generic and auto generated, if you didn't get this or it doesn't sound familiar, check your spam or junk folder. I did as it requested and created a registration and account and as I did that all my previous form 1s were there. It wasn't complicated and I was able to log out and back in and once you are done you just hit submit and sign button and it is due by July 1<sup>st</sup>. When you are doing your form 1 this year you don't have to check the box that you did the ethics training. The ethics training you do in calendar year 2024 will be reported on your form 1 next year.

#### **D.** District Engineer

There being none, the next item followed.

#### EIGHTH ORDER OF BUSINESS Supervisor's Requests

Additional comments: Notification of evaluation, ongoing evaluation has value and will be reported to the board members, three pieces left from auction that will be disposed of, advertising of fence, New Year's event charge, based on turnout maybe a different idea for next year, make the New Year's event a winter social, insurance for fireworks, evaluate hosting tennis tournament, sheriff's representatives will attend February meeting, pickleball revenue share, sales center priced at \$750,000, developer willing to work with the district on terms and conditions that will be presented at a future meeting, possible uses of sales center, items to be addressed on golf course: tees, tee markers, sand dispenser on par 3, issues with not filling holes, starter still changing the numbers, single cart usage with no receipt, keys in golf carts, maintenance on no. 5,

South Village CDD

neighborhood signs, annuals, weight room issues, log for users to report issues, better communication on events, cancellations and closings.

#### NINTH ORDER OF BUSINESS Audience Comments

Additional comments: Eagle Landing has a golf team, events happen at 14 golf clubs and next Monday there will be 13 other clubs plus Eagle Landing representing 114 golfers, sent capital requirements before the CDD bought it, capital reserve fund, staff at restaurant do an excellent job of serving, more robust enforcement of no smoking policy needed, range of prices for top tracer, do market research before investing in top tracer, break even on being open additional hours, 22 parking spots come with the sales center, request for executive summary of the budget, better communication about the budget.

#### TENTH ORDER OF BUSINESSFinancial Reports

A. Balance Sheet as of November 30, 2023 and Statement of Revenues and Expenses for the Period Ending November 30, 2023

The balance sheet and income statement were included as part of the agenda package.

#### **B.** Assessment Receipt Schedule

The assessment receipt Schedule was included as part of the agenda package.

#### C. Approval of Check Register

On MOTION by Mr. Payton seconded by Mr. Warren with all in favor the check register was approved.

#### **ELEVENTH ORDER OF BUSINESS**

#### Next Meeting Scheduled for Tuesday, February 6, 2024 at 6:30 p.m. at Eagle Landing Residents Club

Ms. Giles stated the next meeting is scheduled for February 6, 2024 at 6:30 p.m. back at the Eagle Landing Resident's Club.

On MOTION by Mr. Warren seconded by Mr. Payton with all in favor the meeting adjourned at 8:33 p.m.

SIXTH ORDER OF BUSINESS

# Your property's future starts with **A Reserve Study Today.**

We prepare conservative reserve studies so you can make informed decisions on setting aside the financial resources to maintain your property the way you want over time.

## **Reserve Study Proposal** South Village Community Development District January 11, 2024

Proposal Number: 24.01.11.009

# Thank You.

### THANK YOU FOR YOUR TRUST

January 11, 2024

South Village Community Development District C/O Marilee Giles, District Manager Government Management Services, LLC 475 West Town Place, Suite 114 St. Augustine, FL 32092

Dear Ms. Giles:

We are pleased to submit this reserve study proposal for South Village Community Development District (the "Association") to you.

Our mission is to provide you with a conservative reserve study, giving you the best opportunity to set aside the financial resources needed to maintain your property's appearance and value over time.

We want you to feel comfortable and confident in the quality of our work. That is why we show you our sample report before you even consider doing business with us. We recommend that you review this because we prefer to lose your business than provide you with services that do not meet your objectives.

We always ask for more time than we think we need in our proposals because we prefer that you be pleasantly surprised when we deliver early rather than being disappointed if we were to be late.

Sound fair and reasonable?

Sincerely,

Glenn Tyndall

Glenn M. Tyndall, Jr., CPA, CEO and Founder

# RESERVE STUDY INSTITUTE, LLC

### **EXECUTIVE SUMMARY**

#### Introduction

A reserve study is a capital budgeting tool that is designed to establish a funding plan to offset the deterioration of a property that happens over time.

#### Objective

Our mission is to prepare conservative reserve studies so you can make informed decisions on setting aside the financial resources to maintain your property the way you want over time.

#### Methodology

A reserve study may include:

- An onsite visit with a non-invasive, visual inspection only.
- Representative sampling of components to take their counts and measurements.
- A photographic inventory of components.
- A financial analysis that includes a funding plan.

A reserve study does not include:

- A guarantee that no special assessments will be required in the future.
- A reserve study does not include any invasive testing.
- Design, build, engineering, or architectural services.
- Recommendations on repairs to be done or 3<sup>rd</sup> party contractors to be used.

#### Findings

Our findings will be presented in a reserve study report, and we try to be conservative in our estimates. We will provide a sample report for the services requested before you even consider doing business with us. We strongly recommend reviewing this sample report to ensure our report will meet your needs and objectives before you engage us for services. We prefer to lose your business rather than deliver you a service that you do not need or that you will not be 100% satisfied with.

#### Recommendations

We will give you our opinion on funding, although our opinion is one of many. Therefore, when possible, we will incorporate the changes requested by management or the Board as it's your study and you should have the peace of mind to know that we will incorporate your goals into the study when possible.

#### Conclusions

We are available for a complimentary consultation upon request, so you have the opportunity to evaluate our competency before doing business with us. We try to give you the information you need to make an informed decision before working with us.

# When Needed.

### **OUR COMPANY STORY**

Reserve Study Institute, LLC is an independently owned reserve study company serving the southeast, including Florida, Georgia, South Carolina, and Alabama. Reserve Study Institute was founded by Glenn M. Tyndall, Jr., after receiving many inquiries in his accounting practice to help read and prepare reserve studies for community associations. Clients reported difficulty reading and understanding the reserve study reports received, so Mr. Tyndall set out to create a reserve study report that was intuitive and easy to understand. He then teamed up with individuals with construction-industry experience and together the team began providing clients with reserve studies.

#### **Experience Matters**

- \$1,048,220,881 of funding guidance provided to clients.
- 2,360 components evaluated for clients.
- 20+ years combined professional experience.

#### **How We Operate**

- We try to be consistent, dependable, and communicative so when you call or email us, we try to be responsive and return calls and emails in a timely manner.
- We prefer that you save a few dollars too much than risk not having enough. That is we train our analysts to be conservative in their estimates and to show good faith by going above and beyond to look for items that could be included and when in doubt as to responsibility for replacement, we prefer to include components in your reserve study.
- We always ask for more time than we think we need in our proposals as we prefer that you be pleasantly surprised when we deliver early rather than having you be disappointed if we were to be late.
- We acknowledge and accept that reserve studies are a matter of opinion and there is a range of possible outcomes. Given that the ultimate responsibility for your property rests with you, we will generally do as you direct whenever possible, so you can see the study the way you plan to maintain your property.
- Unlike many firms, we acknowledge the limitations of our services and the complexities of
  providing a reserve study. We are generalists and do not expect our staff to know everything
  about a property and neither should you. We will let you know when areas are outside of the
  scope of services and where we have used judgments or methods that may be incorrect. While
  we will consult with outside 3<sup>rd</sup> parties, our staff is trained to be transparent and let you know the
  risks you are assuming and where additional specialized attention may be needed.
- We also make our sample reports available for your specific service before you agree to do business with us so you can feel comfortable with the quality of our work before even considering doing business with us.

#### **Reasonable Expectations**

Our goal is to conduct accurate and reliable physical and financial analyses for all our reserve studies. It is a completely normal part of the process to have updates to a draft report so please do bear that in mind. We also try to have reasonable fees so you can keep updating reports throughout the year as judgments on what should be included in the study, component pricing, timing of expenditures, and other factors may change throughout the year. Finally, we are not licensed architects or engineers and we do not engage in design specification, design engineering services, or appraisal services.

# How We Help You.

85.00%

## RESERVE STUDY INSTITUTE, LLC

### HOW DOES OUR COMPANY HELP YOU

**Comprehensive Expertise:** Benefit from our comprehensive expertise, including a CPA on staff for financial insight and field analysts with backgrounds in the construction or related industries, some holding Professional Reserve Analyst designation.

**Conservative Estimates:** Rely on our commitment to providing conservative estimates, ensuring a productive approach to financial planning for your community association.

**Specialist Recommendations:** When our field analysts reach their professional limits, we transparently recommend third-party specialists to ensure the most accurate and reliable assessments.

**Client-Centric Approach:** Experience a client-centric approach where your feedback matters; we actively engage with clients, updating studies based on their input to ensure relevancy and accuracy.

**Clear Communication:** Enjoy clear and consistent communication throughout the process, ensuring you are informed and confident in every step of the reserve study.

**Reader-Friendly Reports:** Receive reader-friendly reports that stand out for their clarity and accessibility, avoiding the common pitfalls of overly complex documents from other reserve study companies.

**Responsive Updates:** Unlike others, we prioritize timely updates, responding to client needs, and making necessary changes to keep your reserve study current and actionable.

# RESERVE STUDY INSTITUTE, LLC

### THE COMPONENT'S WE'VE EVALUATED

Experience matters so we want to show you some of the components we've evaluated in the past in other reserve studies so you have peace of mind knowing we have the experience to help you with your study.

## By Our Professionals for Our Clients

#### Homeowners' Associations

Homeowners' Associations (HOA's) are usually are usually not responsible for the homes. They include components such as signage, roads, and sidewalks. Some even offer amenities which can include clubhouses, pools, and other recreational elements.

#### **Condominiums and Townhomes**

Condos and Townhomes usually include all the elements of an HOA, however, the association is responsible for all common areas and building exteriors. This can include roofs, exterior painting, balconies, and much more.

www.reservestudyinstitute.com | gtyndall@reservestudyinstitute.com | (904) 568-2839 © 2024 Reserve Study Institute, LLC. All Rights Reserved.

#### **High-Rise Towers**

A building that is 15 stories or more is considered a tower. Aside from the sheer mass, towers have unique components not found in HOA's and Condos, such as cooling towers, domestic water pumps, heat exchangers, and more.

**General Site Elements** 

General site elements are components that are located around the property but are not part of the building. These components include entrance gates, roads, and sidewalks to name a few.

**Recreational Elements** 

Recreational elements are amenities the association is responsible for. This varies between every association and may include playgrounds, tennis courts, and pools.

www.reservestudyinstitute.com | gtyndall@reservestudyinstitute.com | (904) 568-2839 © 2024 Reserve Study Institute, LLC. All Rights Reserved.

#### **Mechanical Elements**

Mechanical elements can be found in every type of study. This can include HVAC, generators, fire suppression systems and elevator equipment.

**Waterfront Elements** 

Waterfront elements can be very costly and require long-term budgeting. Some of the elements may include docks, seawalls, and even boats for associations located on islands.

#### **Specialty Elements**

Each association is unique and oftentimes has specialty components. Some specialty elements associations have reserved for bridge repair and replacement, heavy equipment, and even a sewer treatment plant.

# Our Clients Talk.

## RESERVE STUDY INSTITUTE, LLC

## What is it like working with us? See What Our Clients Say About Their Experiences.

We want you to have peace of mind of knowing that we have the processes in place so you receive similar results to our past clients.

"If every vendor I did business with was as adept as Reverse Study Institute, every day for Alliance would be more profitable. These days we spend more time managing people despite our #1 task being managing real estate." "Thanks for all the help you and your team provided our communities."

-Mr. Ryan Barlingar, LCAM P&R Housing Management Corporation

-Mr. Leigh Hoffman, Owner Alliance Property Systems, Inc.

"Please accept my humble thanks and appreciation for your recent completion of our HOA's Reserve Study. Your professionalism and comprehensive work made this process far easier for our Board of Directors and Community, than we could ever have imagined.

We dealt primarily with two individuals and their work was outstanding. Mike Russ was available at short notice and responded in a timely manner. Glen Tyndall "Shepherded & Managed" all entries to the Study and kept the process on schedule.

We couldn't have anticipated their willingness to adjust to our requests for additional information in such a timely and efficient manner. Thanks again for your efforts and assistance."

-Mr. Rob Cowan, Treasurer The Palms at Nocatee Homeowner's Association, Inc.

"That was quick!"	"Thanks so much Glen. You	"Thank you so very
	have been responsive,	much. Appreciate the flexibility

# Our Services.

## **RESERVE STUDY – LEVELS OF SERVICES**

Our reserve studies services are offered at 3 levels of service, with some studies required to be done at the highest level of service.

At this service level, we will come onsite to do a walkthrough of the property, inventory components, take their counts and measurements, assess the condition of components, take photographic inventory, and estimate the useful life remaining. A financial analysis will then be performed based on this information and we will produce a reserve study report with the recommended funding amount. A Level 1 study is required for an initial study or if there is no other study to rely on for counts and measurements.

Level 2

This service level is similar to a Level 1 study except we do not take counts and measurements or inventory components. We come onsite to do a condition assessment and estimate remaining useful lives. The counts and measurements come from a previous reserve study. If the previous study is out of date, components have changed, or there are errors or differences in opinion on how to estimate counts or measurements, a Level 2 study will not pick up these differences. We recommend a Level 1 study to do that and we generally set our fee for service to give you the financial incentive to do the higher level of service as we think it's in your best interest to do so.

This is an offsite update of the financial analysis only – we do not come onsite, we do not assess the condition of components, and there's no photographic inventory of components. This study is useful for periodic updates when there are changes in the timing of expenditures, costs have changed, or other items have changed since a previous study was done.

**Disclaimer:** Our reserve study reports, in whole or part, are not and cannot be used as a design specification, design engineering services, or an appraisal. We are not licensed engineers or architects. Our onsite visits will have non-invasive, visual inspections only, which are not designed to detect construction defects, code violations, or other latent issues with the property.

## We try to protect our clients By Being Conservative In Our Estimates.

We prefer to see you have a few dollars too much in reserves rather than see you not having enough.

## **REPORTING METHODS**

**Pooled (Cash Flow) Method** – A method of funding for a reserve study refers to a financial approach where funds from various reserve components or assets are consolidated into a single pool. This method involves combining the reserve funds associated with different elements such as roofs, pavements, and common areas into one overarching fund. By doing so, it provides a comprehensive view of the association's overall financial health and allows for flexible allocation of funds based on the collective needs of all components. The Pooled Cash Flow Method is contrasted with the Straight-Line Method, where each reserve component has its dedicated fund. The Pooled Cash Flow Method is designed to offer associations a more holistic and adaptable approach to financial planning for their long-term maintenance needs.

# We always ask for more time than **We Think We Need In Our Proposals.**

We want you to be pleasantly surprised when we deliver early rather than be disappointed if we were to be late.

## TRADITIONAL RESERVE STUDY

#### **Description:**

A Traditional Reserve Study is a comprehensive financial analysis conducted for a property that is for internal, budgetary purposes only. This study assesses the association's long-term capital needs by evaluating the condition and estimated useful life of various physical components, such as roofs, pavements, common areas, and building systems. The goal is to create a detailed reserve plan that outlines anticipated future repair and replacement costs, ensuring that adequate funds are set aside over time to cover these expenses.

#### **Reporting Method:**

- Pooled (Cash Flow) Method: A method of funding for a reserve study refers to a financial approach where funds from various reserve components or assets are consolidated into a single pool.
- Inflation and Interest: The interest rate and inflation rate are factored into this study.

#### **Highlights of This Service:**

- Flexibility: Traditional reserve studies provide more flexibility in the assessment and allocation of reserve funds. The association has greater discretion in determining funding priorities and adjusting reserve contributions.
- **Pooled Funding:** Funds collected in a traditional reserve study are typically pooled, allowing for a more generalized approach to cover future expenses. This can simplify budgeting and financial planning for the association.
- **Customization:** Traditional studies can be tailored to the unique needs of the community. Associations have the freedom to include various components, both structural and non-structural, based on their specific requirements.
- Lower Initial Costs: Traditional reserve studies may have lower initial costs compared to more specialized studies. This can be advantageous for associations with budget constraints.
- **Board Decision-Making:** The board retains a significant role in decision-making, including the prioritization of projects and allocation of reserve funds. This can foster a sense of community involvement and control.
- Less Stringent Legal Requirements: Traditional reserve studies may not be subject to the same stringent legal requirements as statutory or structural studies, providing more leeway in compliance.
- **Easier Implementation:** The recommendations from a traditional reserve study can be more straightforward to implement, and there may be fewer legal or regulatory hurdles to navigate.

#### Statutory or Legal Requirements:

• **Other States:** The study is not designed to meet any federal, state, or local rules, regulations, or laws. This study is designed for internal, budgetary purposes only.

## **OUR PROCESS - OVERVIEW**

Acknowledgment of Engagement: We will acknowledge receipt of this email and will assign the analyst to this project and schedule the onsite visit. This may take a few business days to complete.

**Client Assistance Listing:** We will provide you with a client assistance listing for the information along with the analyst assigned to the project and if a site visit is required, then the date and time of the onsite visit will be provided.

**Physical Analysis:** Experience a client-centric approach where your feedback matters; we actively engage with clients, updating studies based on their input to ensure relevancy and accuracy.

- **Planning:** We generally try to gain an understanding of the property before coming onsite. We may look at historical aerials, and timelapse images of the property so we can see changes, pull permitting history, and perform other procedures.
- Site Visit: We like to arrive prior to our scheduled time when possible to get familiar with the property before meeting with you onsite. We will have a brief conversation and may have a list of questions. We may need to reach out to you to ask you questions as we walk the property.
- Post-Site Review: The file will then be completed with estimated costs, useful lives, and remaining useful lives. This file will undergo an internal review process before being sent to the financial reporting division for drafting the reserve study report.

**Financial Analysis:** Enjoy clear and consistent communication throughout the process, ensuring you are informed and confident in every step of the reserve study.

- **Drafting Report:** The financial analysis will be performed, with inflation and interest will be factored into the study and the expenditures mapped out over the period of the study as per the analysts' estimates. A recommended reserve contribution will then be calculated, and a draft report prepared.
- **Review Report:** A final internal review will be completed on the draft report.
- **Draft Report Released:** We will release the draft report for review via email after this is complete.

**Revisions or Edit:** We generally try to accommodate client input and edits as long as they are provided to us. You will have peace of mind of knowing that we'll complete these revisions complimentary so long as they are received within a reasonable period of time.

**Final Report Released:** We will then issue the final signed draft after the revisions are made or if we do not receive any edits within about a month of issuing the initial draft report.

# Reserve Study Institute, LLC

## FREQUENTLY ASKED QUESTIONS (FAQs)

#### Q: Does a representative have to be on-site?

**A**: We recommend that someone be onsite because it improves the quality of our services. However, while preferable, it is not required.

#### Q: How long until we receive a report?

**A:** We always ask for more time than we think we need in our proposal because we want you to be pleasantly surprised when we are early rather than disappointed if we were to be late.

#### Q: Can we reserve money in case of hurricane damage?

**A:** Absolutely. We can generally reserve intangible items like hurricane damage, general contingency, or litigation reserves. However, we will only do this at your direction as we do not reserve for items that we cannot see like this without explicit direction.

#### Q: Do you have a vendor you recommend for a project?

A: No. Reserve Study Institute does not provide recommendations for ethical reasons.

#### Q: Can we remove a component and fund it from our operational budget?

**A:** Yes. There is an editing process after the draft is received and we will make any necessary adjustments. However, it is not recommended to do so. It may be in your best interest to reserve those funds to account for premature failure of other components, or other unforeseen expenses. There is a saying in estimating that goes, "Not everything that can be counted counts, and not everything that counts can be counted." For statutory studies, we may have less flexibility in excluding components to attempt to be compliant.

#### Q: What do we do if we feel that the cost, remaining useful life, or quantity total should be changed?

A: After receiving the draft, we offer a complimentary editing process within a reasonable amount of time.

#### Q: Why is there a recommendation to get a quote from a third-party vendor?

**A:** Many components have variables that we cannot account for. For example, we do not account for any code violations. Using the wrong nail on a roof could be a code violation and require replacement.

Another example is shoreline restoration. There are many ways to restore a shoreline including grading, geotubing, netting, vegetation, and installing seawalls or rip rap. In this case, we find it best to consult with a certified expert to find what is best for your community.

#### Q: Can you include landscaping as a reserve expense?

**A:** Yes. If the landscaping expenses are substantial, you can reserve for them. However, since "landscaping" does not have a determinable useful, we ask that the association provide a budget that fits their needs.

#### Q: Can we reserve for repairs for certain items?

**A:** Yes. There are multiple ways to do this. One is by using the historical data of the repairs that have been done and basing the future repairs on that. Another way is to take a percentage of the total replacement cost and reserve that over a period of time.

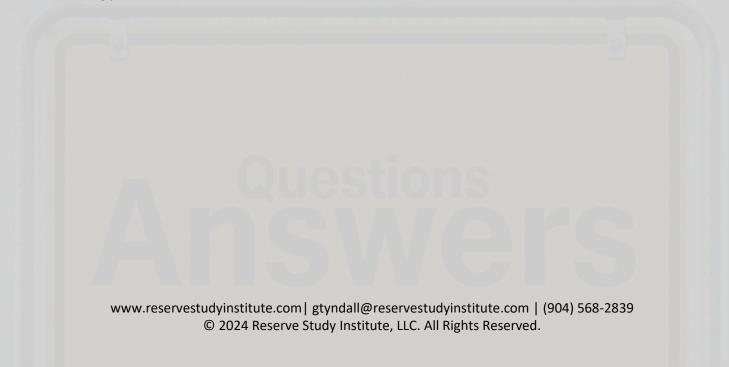

For example, there was a study that had approximately \$7 million in bridges. Taking 15% of that over 10 years allows them to reserve approximately \$1 million for repairs every 10 years. This number should also be adjusted based on the age of the structure.

#### Q: How often should we get a reserve study?

**A:** While we do have a financial incentive to make this recommendation, the cost is nominal especially if we do the work in the same year since it is much easier to update a study than do one from the beginning. Again, if you're planning in advance, the fees for service come down. Consistent communication also allows us to let you know about industry changes and problems we see with other associations so that you can either avoid, plan for solutions, or set aside funds for problems well in advance. Management and board turnover are generally higher along with other legal quagmires when owners are surprised by increased assessments.

#### Q. What do others do in terms of updating their study?

A handful of associations do what we recommend by updating regularly, and it generally leads to better results. Some associations update their studies annually with either offsite or onsite updates depending on their objectives. While many associations opt for updates every 3 years with most doing nothing at all for long periods.

# The Agreement.

### AGREEMENT

The content provided in the previous sections of this proposal is intended for informational purposes only and does not constitute a legally binding agreement. The legally binding terms and conditions of our services are exclusively outlined in the subsequent in this legal agreement section of the proposal. Clients are advised to carefully review and adhere to the terms set forth in the legal section for the establishment of a contractual agreement between Reserve Study Institute, LLC. This disclaimer helps to distinguish the preliminary information, which is not legally binding, from the specific terms and conditions outlined in this agreement section, which hold legal significance.

### **SCOPE OF SERVICES**

#### **Our Responsibilities**

Reserve Study Institute, LLC will perform its services as an independent contractor in accordance with our professional practice standards. Our compensation is not contingent upon our conclusions.

#### **Levels of Service**

We offer the following Reserve Study Levels of Service to Associations:

**Level 1** – Reserve Study Level 1 with an on-site visual inspection and assessment of property condition. This level of service is offered to clients undertaking their first reserve study, and to Associations in need of a comprehensive review and audit of a previous reserve study The Association's asset component list and associated measurements are reviewed. *If this proposal is for the Association's initial reserve study, or a previous reserve study cannot be made available to us, then this level of service is required.* 

**Level 2** – Reserve Study Level 2 update with an on-site visual inspection and property condition assessment. Level 2 reserve studies are for Associations that want to update a previous study. Most Associations will request a Level 2 report in the third year after the last site-visit-based reserve study.

**Level 3** – Reserve Study Level 3 update with no on-site inspection or property condition assessment. This report is typically requested in the years immediately following a reserve study with an on-site review. A prior reserve study is required to establish the basis for the verification and quantification of the component inventory.

Our inspection and analysis of the subject property is limited to visual observations and is noninvasive when we conduct Level 1 or Level 2 studies . Level 3 studies do not include a site visit for inspection. We will inspect sloped roofs from the ground. We will inspect flat roofs where safe access where safe access (stairs or ladder permanently attached to the structure) is available. The report is based upon a "snapshot in time" at the moment of our observations. Conditions can change between the time of inspection and the issuance of our report. Reserve Study Institute, LLC does not investigate, nor assume, any responsibility for any existence or impact of any hazardous materials, structural, or latent or hidden defects which may not be present on or within the property. Our opinions of estimated costs and remaining useful lives are not a guarantee of the actual costs of replacement, a warranty of the common

elements or other property elements, or a guarantee of remaining useful lives. We are not licensed architects or engineers.

#### **Services Available**

**Traditional Reserve Study** – A Traditional Reserve Study is a comprehensive financial analysis conducted for a property that is for internal, budgetary purposes only. This study assesses the association's long-term capital needs by evaluating the condition and estimated useful life of various physical components, such as roofs, pavements, common areas, and building systems. The goal is to create a detailed reserve plan that outlines anticipated future repair and replacement costs, ensuring that adequate funds are set aside over time to cover these expenses. The report will be issued using a pooled (cash flow) method of funding for a reserve study refers to a financial approach where funds from various reserve components or assets are consolidated into a single pool. Please review a sample report to be sure this service will meet your needs.

OUR TRADITIONAL RESERVE STUDY REPORT IS NOT DESIGNED TO COMPLY WITH ANY FEDERAL, STATE, OR LOCAL RULE, REGULATION, OR LAW IN ANY JURISIDATION AND NO COMMUNICATION OR REPRESENTATION FROM RESERVE STUDY INSTITUTE, LLC, ITS EMPLOYEES, CONTRACTORS, AFFILIATES, CONSULTANTS, ET AL. MAY BE DEEMED TO WARRANT OR REPRESENT, EITHER EXPRESSED OR IMPLIED, ANY COMPLIANCE WITH ANY FEDERAL, STATE, OR LOCAL RULE, REGULATION, OR LAW UNLESS OTHERWISE SPECIFIED IN THIS PROPOSAL.

THE ASSOCIATION HOLDS THE ULTIMATE RESPONSIBILITY FOR DECISIONS REGARDING COMPONENTS INCLUDED IN THE STUDY. THE CLIENT IS GRANTED AN OPPORTUNITY TO REVIEW AN INITIAL DRAFT AND 30 DAYS FROM THAT DATE TO IDENTIFY ANY MISSING COMPONENTS OR ANY ISSUES OF NON-COMPLIANCE. THE COMPANY WILL THEN REVIEW AND MAKE ANY CORRECTIONS AS NEEDED AND AS DIRECTED BY THE CLIENT.

BY ENGAGING US FOR THE TRADITIONAL RESERVE STUDY, THE CLIENT HEREBY INDEMNIFIES AND HOLDS HARMLESS RESERVE STUDY INSTITUTE, LLC, AND ITS EMPLOYEES, CONTRACTORS, AFFILIATES, CONSULTANTS, ET AL. THE CLIENT EXPRESSLY WAIVES ANY RIGHT TO FILE A CLAIM AGAINST A PROFESSIONAL LIABILITY INSURANCE POLICY FOR ANY AND ALL WORK DEFECTS IDENTIFIED OR ARISING FROM THE STUDY.

#### **Reporting Detail**

We offer the following reporting options for our reserve study reports:

**Standard Reporting** includes component inventory, life and valuation estimates, fund status, and funding plan. This reporting detail is for Level III studies.

**Comprehensive Reporting** includes a full detailed component inventory, photographs, observations and recommendations, life and valuation estimates, fund status, and funding plan. This reporting detail is for Level I and II studies.

#### Your Responsibility

You agree to provide us with access to the subject property during our on-site visual inspection and tour. The Association, management, and/or the Board are responsible for assigning an appropriate individual as our primary point of contact to coordinate the reserve study and to provide to us to the best of their ability and if reasonably available, historical and budgetary information, the governing documents, and other information that we request and deem necessary to complete our Study. You agree to pay reasonable attorneys' fees and any other costs incurred in the event we have to initiate litigation to collect on any unpaid balance for our services. Management and the Board may be required to sign a representation letter that acknowledges review and approval of the report.

#### **Assumptions and Indemnification**

We assume, without independent verification, the accuracy of all data provided to us. You agree to indemnify and hold us harmless against and from any and all losses, claims, actions, damages, expense, o liabilities, including reasonable attorney's fees, to which we may be become subject in connection with this engagement, because of any false, misleading, or incomplete information which we have relied upon as supplied by you or others under your direction, or which may result from any improper use or reliance on the report by you or third parties under your control or direction. Your obligation for indemnification on the report by you or third parties under your control or direction. Your obligation for indemnification and reimbursement shall and reimbursement shall extend to any controlling person of Reserve Study Institute, LLC, including any director, officer, employee, affiliate, or agent. Liability of Reserve Study Institute, LLC and its employees, affiliates, and agents for errors and omissions, if any, in this work is limited to the amount of its compensation for the work performed in this engagement. We are not licensed architects or engineers.

#### Report

Reserve Study Institute, LLC will complete the services in accordance with this Proposal based on your selection of Service Level and Reporting Detail. We will consider any additional information made available to us in the interest of promptly issuing a Final Report. However, the Report represents a valid opinion of our findings and recommendations and is deemed complete after we receive the signed management representation letter. We retain the right to withhold the Draft Report or Final Report if payment for services is not rendered in a timely manner.

#### **Retention and Propriety of Work Papers**

All files, work papers, or documents developed (the "work papers") by us during the course of the engagement is proprietary and remains our property. In all cases, we will retain our work papers for a period of three (3) years.

#### **Restricted Use of Our Report**

The use of our Report is limited to only the purpose stated herein. Any use or reliance for any other purpose, by you or third parties, is invalid. Our Reserve Study Report, in whole or part, is not and cannot be used as a design specification, design engineering services, or an appraisal. You may show our report in its entirety to those third parties who need to review the information contained herein. The Client and other third parties viewing this report should not reference our name or our report, in whole or in part, in any document prepared and/or distributed to third parties without our written consent. This report contains intellectual property developed by Reserve Study Institute, LLC specific to this engagement and cannot be reproduced or distributed to those who conduct reserve studies without the expressed written consent of Reserve Study Institute, LLC.

#### **Client Confidentiality**

By entering into his agreement, you grant us the rights and a perpetual license to use, reproduce, display, and distribute your association's name, logo, testimonials, and related information ("Client Information") for various purposes, including but not limited to creating training materials, advertising, promotions, testimonials, software development, and other commercial and non-commercial activities without compensation. However, we will maintain the confidentiality of all conversations, documents provided to us, and the contents of our reports, subject to legal or administrative processes or proceedings. These conditions can only be modified by written documents executed by both parties.

#### Software Development Disclaimer

Throughout the course of our engagement, you may come into contact with software, applications, or other intellectual property under development by us. It is essential to clarify that our collaboration does not constitute a joint venture, partnership, or any shared ownership in the development process. All rights, including but not limited to copyrights, trademarks, and intellectual property rights, associated with the software and related materials remain the sole and exclusive property of Reserve Study Institute, LLC and it's and its affiliates, subsidiaries, successors, assigns, and heirs.

Any feedback, suggestions, or ideas provided by you in the course of our collaboration do not grant you any ownership or rights in the developed software. This disclaimer serves to make explicit that the software, its components, and associated intellectual property are the proprietary assets of our property, and you shall have no claims or rights to assert ownership, authorship, or any form of intellectual property rights therein. Our collaboration is not intended to create any obligations on our part to share ownership or provide any proprietary rights in the developed software.

### **PROPOSED TIMELINE**

This proposal is valid for thirty (30) days from the day it is prepared. Price, timeline, terms, and availability may be subject to change thereafter.

We intend to have our Draft Report to you for review and approval on or around March 15, 2024. All documentation requested will need to be provided by the Association's representative to us at least sixty (60) days prior to the date we anticipate having the Draft Report to you. If an onsite visit is necessary, then we require the onsite visit at least sixty (60) days before the date we anticipate having the Draft Report to you.

You will be given a period of thirty (30) days from the date of receipt of the initial report to review and provide any edits, comments, or issues to us. In the absence of any response, edits, or issues raised, the report shall be deemed accepted as presented and we reserve the right to issue a final signed copy of the report.

All edits, comments, or issues pertaining to the report must be presented in writing in a single email within the specified thirty (30) day review period. We shall not be obligated to consider or address edits submitted in a piecemeal fashion or through multiple, separate communications. This clause ensures that all edits are presented in an organized manner and helps us efficiently process these edits.

Our proposed timeline is based on the anticipated cooperation from your personnel. You agree to indemnify us if we are unable to meet the proposed timeline if you require rescheduling or rescheduling

due to inclement weather, transportation issues (such as canceled or delayed flights), or any other issues that are reasonably beyond our control. We will attempt to reschedule any onsite visits, if necessary, and complete our services as soon as reasonably possible. However, you understand that if rescheduling is needed for any reason, we provide no assurance or guarantee of when we will be able to reschedule given that we may have other client commitments. Our Final Report will be issued to you in electronic format only.

#### **Multiple Reports Needed**

As shown in the sample report provided, our report is designed to yield one (1) reserve contribution for all components included in that report. Unless otherwise noted, this proposal will have one (1) recommended contribution amount for one client. If there are multiple associations, multiple neighborhoods with separate budgets, or some components are not shared equally by all owners (ex., HOA/Townhome combined community), then separate reports will be needed to get separate reserve contributions. We may not be able to issue separate reports if we are not made aware of the fact that multiple reports may be needed, and the Association will be subject to additional fees for service for the additional work should we be made aware of after the fact. We will proceed with producing one (1) report as per this proposal unless we receive written authorization via email to proceed at an agreed-upon fee for service for the additional work in the event multiple reports are needed.

#### **Not Engineers or Architects**

Reserve Study Institute, LLC is not a licensed architectural or engineering firm and this proposal is not for design, build, construction, or engineering purposes.

### **FEES AND BILLING**

#### **Billing and Fee for Services and Conditions**

The retainer, if any, is due upon acceptance of the proposal for services, and no work will commence until the retainer has been received by Reserve Study Institute, LLC. The Association will be progress billed as worked proceeds with payment due immediately upon request. The payment of all fees is due when we deliver or try to deliver the receipt of the Draft Report to you by email.

We do not charge any out-of-pocket costs for mileage, travel, lodging, or meals for a single trip. However, if a second trip is required through no fault of Reserve Study Institute, LLC, additional charges for travel, lodging, and other associated costs will apply. Mileage will be reimbursed based on IRS-approved mileage rates at the time of travel if a second trip is required. We reserve the right to suspend all work if there is an outstanding balance of more than thirty (30) days from the date of the invoice. Any outstanding balance after thirty (30) days from the date of the invoice will also be subject to an interest charge of 1.5% per month. Any litigation necessary to collect an unpaid balance shall be venued in Duval County of Florida. The Association will be responsible for payment of reasonable attorney fees to Reserve Study Institute, LLC in the event of litigation to collect any unpaid balances and reserves the right to charge the Association any and all fees, including mileage, meals, lodging, and other associated out-of-pocket costs incurred during the first trip in the event collections proceeding are initiated due to a delay in timely payment.

#### **Fee Schedule Summary**

The following is a summary of our fees for your Association based on the Levels of Services and Reporting Detail described in this proposal:

Fee Schedule for Service Level				
	Traditional Reserve Study			
Service Includes	Level 1	Level 2	Level 3	
Full Reserve Study	$\checkmark$			
Statutory Reserve Study				
Update Reserve Study		$\checkmark$	~

# Property Wellness Reserve Study Program Proposal Level I Reserve Study

South Village Community Development District (a.k.a. Eagle Landing) Orange Park, FL Reserve Advisors, LLC 201 E. Kennedy Boulevard, Suite 1150 Tampa, FL 33602 (800) 980-9881 reserveadvisors.com

## **Reserve Advisors**

## Your Property Wellness Consultants

## Our Property Wellness Reserve Study Program

Your home is the most expensive personal property you will ever own. The responsibility for preserving its value reaches beyond your home to include the spaces you share with your neighbors. Structures, systems, streets and amenities must be maintained to protect the value of your investment. But the required responsibility often stretches beyond individual knowledge and expertise. That's why associations turn to Reserve Advisors. As your property wellness consultants, our reserve study helps associations understand their assets, expected lifespans, and both the budgets and maintenance needed to keep them in great working order.

# A Proactive Property Wellness Program

Our engineers provide a thorough evaluation of your property and shared assets, and create a strong, informed plan to maximize your community's physical and financial wellness for the long haul. Because proactive care ensures that your shared property is cared for the way you would care for your home. We have been helping communities thrive for over 30 years. But the job we are obsessed with is making sure you and your neighbors have what you need to protect your property today, and prevent costly and avoidable repairs tomorrow. It is the best way to care for the place that makes you feel welcome, safe, secure and proud.

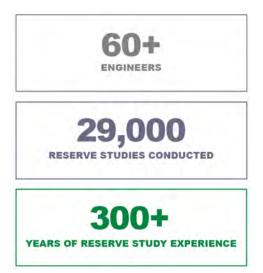

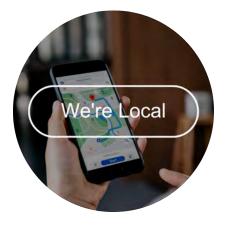

## Helping Communities Thrive for Over 30 Years

Reserve Advisors has prepared over 29,000 reserve studies for common interest realty associations nationwide. Our service area is one of the largest in the industry.

Through the leadership of our founders, John Poehlmann and Theodore Salgado, we helped pioneer the standards that all reserve study providers are measured by today. This success comes from our independence, extensive knowledge and experience. We pride ourselves on delivering unbiased recommendations that give community associations the plans they need to ensure the future well-being of their property.

### **Local Conditions**

Drawing upon our broad national experience, we recognize the profound impact local conditions have on the wear and tear of common property and subsequent replacement needs.

### **Local Costs**

Our exclusive database of client project costs grants you real-time access to localized pricing, ensuring that your reserve study projections are not reliant on standardized costs.

We are proposing a Level I Full Reserve Study. This service involves developing a component list and quantification of each item - a crucial aspect often overlooked by unqualified providers. This service is suitable for communities that have never undergone a reserve study, as well as those contemplating a change in reserve study providers. Conducting a Level I Reserve Study allows us to not only verify the accuracy of the component inventory and related quantities/measurements with certainty - the foundation of any reserve study - but to also present capital planning recommendations with unwavering confidence.

# Property Wellness Reserve Study Program - Level I

**Reserve Advisors will perform a Level I Reserve Study** in accordance with Community Associations Institute (CAI) National Reserve Study Standards. Your reserve study is comprised of the following:

**Physical Analysis:** The reserve study consultant will develop a detailed list of reserve components, also known as a component inventory, and related quantities for each. We will complete a condition assessment or physical evaluation for each reserve component and the current condition of each will be documented with photographs. Life and cost estimates will be performed to determine estimated useful lives, remaining useful lives and current cost of repair or replacement.

**Financial Analysis:** The reserve study consultant will identify the current reserve fund status in terms of cash value and prepare a customized funding plan. The funding plan outlines recommended annual reserve contributions to offset the future cost of capital projects over the next 30 years.

### **Property Description**

We've identified and will include the following reserve components:

Clubhouse(s), Sport Court(s), Pond(s), Playground(s), Pool(s), Pool House(s), Post or Pole Lights, Sidewalks, Irrigation System, Retaining Walls, Signage, 18-hole Golf Course, Swim Park with Water Playground, Diving Boards Amphitheater Pool House has cabana, bar, restrooms, kids club room, cafe Village store with Cafe, Ice Cream Parlor, Game Room, General Store Tree House Lake House Pavilions Clubhouse (2 stories) has upstairs fitness room, downstairs gymnasium/basketball court, offices, and other property specifically identified that you'd like us to include.

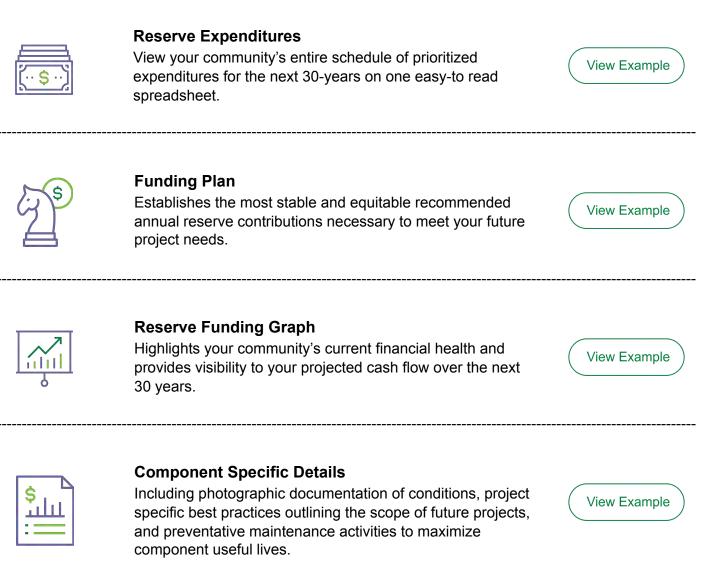

Scope of work includes all property owned-in-common as defined in your association's declaration and other property specifically identified that you'd like us to include.

# Key Elements of Your Level I

# Property Wellness Reserve Study Program

## Reserve Advisors' Exclusive Tools

Reserve Advisors' exclusive tools allow you to make informed decisions to maintain your association's long-term physical and financial health.

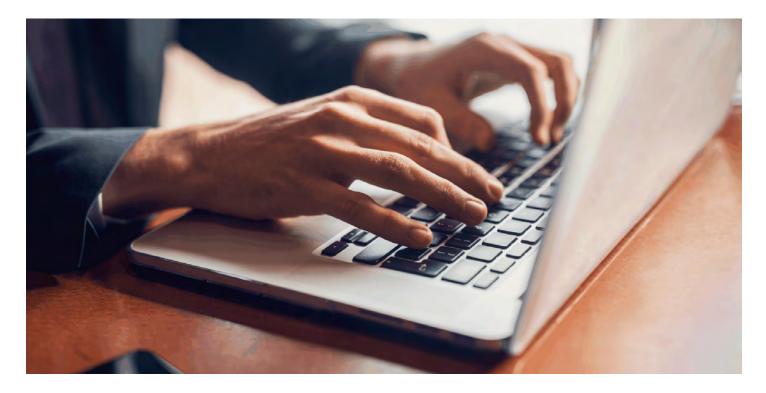

#### **Excel Spreadsheets**

Empowering you to make more informed decisions by adjusting project schedules, future costs, and annual contributions in real time.

# Our 100% Assurance Guarantee

We're so confident of your satisfaction, we give you a 100% Assurance Guarantee. If you do not understand our findings and recommendations, just contact us. Our team will do whatever it takes to ensure you have complete confidence in interpreting the results and applying the recommendations outlined in your reserve study.

We understand your property is your biggest investment. Here's why our solution is the best solution for your community:

### **Full Engagement**

It's our job to understand your specific concerns and to discuss your priorities in order to ensure your reserve study experience exceeds expectations.

You will receive your electronic report approximately four (4) weeks after our inspection, based on timely receipt of all necessary information from you. Authorization to inspection time varies depending on demand for our services. This proposal, dated 1/30/2024, is valid for 90 days, and may be executed and delivered by facsimile, portable document format (.pdf) or other electronic signature pages, and in any number of counterparts, which taken together shall be deemed one and the same instrument. One complimentary hard copy report is available upon request.

# **Professional Service Conditions**

**Our Services** - Reserve Advisors, LLC ("RA" or "us" or "we") performs its services as an independent contractor in accordance with our professional practice standards and its compensation is not contingent upon our conclusions. The purpose of our reserve study is to provide a budget planning tool that identifies the current status of the reserve fund, and an opinion recommending an annual funding plan, to create reserves for anticipated future replacement expenditures of the subject property. The purpose of our energy benchmarking services is to track, collect and summarize the subject property's energy consumption over time for your use in comparison with other buildings of similar size and establishing a performance baseline for your planning of long-term energy efficiency goals.

Our inspection and analysis of the subject property is limited to visual observations, is noninvasive and is not meant to nor does it include investigation into statutory, regulatory or code compliance. RA inspects sloped roofs from the ground and inspects flat roofs where safe access (stairs or ladder permanently attached to the structure) is available. Our energy benchmarking services with respect to the subject property is limited to collecting energy and utility data and summarizing such data in the form of an Energy Star Portfolio Manager Report or any other similar report, and hereby expressly excludes any recommendations with respect to the results of such energy benchmarking services or the accuracy of the energy information obtained from utility companies and other third-party sources with respect to the subject property. The reserve report and any energy benchmarking report (i.e., any Energy Star Portfolio Manager Report) (including any subsequent revisions thereto pursuant to the terms hereof, collectively, the "Report") are based upon a "snapshot in time" at the moment of inspection. RA may note visible physical defects in the Report. The inspection is made by employees generally familiar with real estate and building construction. Except to the extent readily apparent to RA, RA cannot and shall not opine on the structural integrity of or other physical defects in the property under any circumstances. Without limitation to the foregoing, RA cannot and shall not opine on, nor is RA responsible for, the property's conformity to specific governmental code requirements for fire, building, earthquake, occupancy or otherwise.

RA is not responsible for conditions that have changed between the time of inspection and the issuance of the Report. RA does not provide invasive testing on any mechanical systems that provide energy to the property, nor can RA opine on any system components that are not easily accessible during the inspection. RA does not investigate, nor assume any responsibility for any existence or impact of any hazardous materials, such as asbestos, urea-formaldehyde foam insulation, other chemicals, toxic wastes, environmental mold or other potentially hazardous materials or structural defects that are latent or hidden defects which may or may not be present on or within the property. RA does not make any soil analysis or geological study as part of its services, nor does RA investigate vapor, water, oil, gas, coal, or other subsurface mineral and use rights or such hidden conditions, and RA assumes no responsibility for any such conditions. The Report contains opinions of estimated replacement costs or deferred maintenance expenses and remaining useful lives, which are neither a guarantee of the actual costs or expenses of replacement or deferred maintenance nor a guarantee of remaining useful lives of any property element.

RA assumes, without independent verification, the accuracy of all data provided to it. Except to the extent resulting from RA's willful misconduct in connection with the performance of its obligations under this agreement, you agree to indemnify, defend, and hold RA and its affiliates, officers, managers, employees, agents, successors and assigns (each, an "RA Party") harmless from and against (and promptly reimburse each RA Party for) any and all losses, claims, actions, demands, judgments, orders, damages, expenses or liabilities, including, without limitation, reasonable attorneys' fees, asserted against or to which any RA Party may become subject in connection with this engagement, including, without limitation, as a result of any false, misleading or incomplete information which RA relied upon that was supplied by you or others under your direction, or which may result from any improper use or reliance on the Report by you or third parties under your control or direction or to whom you provided the Report. NOTWITHSTANDING ANY OTHER PROVISION HEREIN TO THE CONTRARY, THE AGGREGATE LIABILITY (IF ANY) OF RA WITH RESPECT TO THIS AGREEMENT AND RA'S OBLIGATIONS HEREUNDER IS LIMITED TO THE AMOUNT OF THE FEES ACTUALLY RECEIVED BY RA FROM YOU FOR THE SERVICES AND REPORT PERFORMED BY RA UNDER THIS AGREEMENT, WHETHER ARISING IN CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY OR OTHERWISE. YOUR REMEDIES SET FORTH HEREIN ARE EXCLUSIVE AND ARE YOUR SOLE REMEDIES FOR ANY FAILURE OF RA TO COMPLY WITH ITS OBLIGATIONS HEREUNDER OR OTHERWISE. RA SHALL NOT BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES OF ANY KIND, INCLUDING, BUT NOT LIMITED TO, ANY LOST PROFITS AND LOST SAVINGS, LOSS OF USE OR INTERRUPTION OF BUSINESS, HOWEVER CAUSED, WHETHER ARISING IN CONTRACT, TORT (INCLUDING NEGLIGENCE). BREACH OF WARRANTY, STRICT LIABILITY OR OTHERWISE, EVEN IF RA HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL RA BE LIABLE FOR THE COST OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES. RA DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES WHATSOEVER, EXPRESS OR IMPLIED OR OF ANY NATURE, WITH REGARD TO THE SERVICES AND THE REPORT, INCLUDING, WITHOUT LIMITATION, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

# **Professional Service Conditions - Continued**

**Report** - RA will complete the services in accordance with the Proposal. The Report represents a valid opinion of RA's findings and recommendations with respect to the reserve study and is deemed complete. RA will consider any additional information made available to RA within 6 months of issuing the Report and issue a revised Report based on such additional information if a timely request for a revised Report is made by you. RA retains the right to withhold a revised Report if payment for services was not tendered in a timely manner. All information received by RA and all files, work papers or documents developed by RA during the course of the engagement shall remain the property of RA and may be used for whatever purpose it sees fit. RA reserves the right to, and you acknowledge and agree that RA may, use any data provided by you in connection with the services, or gathered as a result of providing such services, including in connection with creating and issuing any Report, in a de-identified and aggregated form for RA's business purposes.

Your Obligations - You agree to provide us access to the subject property for an on-site visual inspection. You agree to provide RA all available, historical and budgetary information, the governing documents, and other information that we request and deem necessary to complete the Report. Additionally, you agree to provide historical replacement schedules, utility bills and historical energy usage files that RA requests and deems necessary to complete the energy benchmarking services, and you agree to provide any utility release(s) reasonably requested by RA permitting RA to obtain any such data and/or information from any utility representative or other third party. You agree to pay actual attorneys' fees and any other costs incurred to collect on any unpaid balance for RA's services.

**Use of Our Report** - Use of the Report is limited to only the purpose stated herein. You acknowledge that RA is the exclusive owner of all intellectual property rights in and relating to the Report. You hereby acknowledge that any use or reliance by you on the Report for any unauthorized purpose is at your own risk and that you will be liable for the consequences of any unauthorized use or distribution of the Report. Use or possession of the Report by any unauthorized third party is prohibited. The Report in whole or in part is not and cannot be used as a design specification for design engineering purposes or as an appraisal. You may show the Report in its entirety to the following third parties: members of your organization (including your directors, officers, tenants and prospective purchasers), your accountants, attorneys, financial institutions and property managers who need to review the information contained herein, and any other third party who has a right to inspect the Report under applicable law including, but not limited, to any government entity or agency, or any utility companies. Without the written consent of RA, you shall not disclose the Report to any other third party. By engaging our services, you agree that the Report contains intellectual property developed (and owned solely) by RA and agree that you will not reproduce or distribute the Report to any party that conducts reserve studies or energy benchmarking services without the written consent of RA.

RA will include (and you hereby agree that RA may include) your name in our client lists. RA reserves the right to use (and you hereby agree that RA may use) property information to obtain estimates of replacement costs, useful life of property elements or otherwise as RA, in its sole discretion, deems appropriate.

**Payment Terms, Due Dates and Interest Charges** - If reserve study and energy benchmarking services are performed by RA, then the retainer payment is due upon execution of this agreement and prior to the inspection by RA, and any balance is due net 30 days from the Report shipment date. If only energy benchmarking services are performed by RA, then the retainer payment is due upon execution of this agreement and any balance is due net 30 days from the Report shipment date. In any case, any balance remaining 30 days after delivery of the Report shall accrue an interest charge of 1.5% per month. Unless this agreement is earlier terminated by RA in the event you breach or otherwise fail to comply with your obligations under this agreement, RA's obligations under this agreement shall commence on the date you execute and deliver this agreement and terminate on the date that is 6 months from the date of delivery of the Report by RA. Notwithstanding anything herein to the contrary, each provision that by its context and nature should survive the expiration or early termination of this agreement shall so survive, including, without limitation, any provisions with respect to payment, intellectual property rights, limitations of liability and governing law.

**Miscellaneous** – Neither party shall be liable for any failures or delays in performance due to fire, flood, strike or other labor difficulty, act of God, act of any governmental authority, riot, embargo, fuel or energy shortage, pandemic, wrecks or delays in transportation, or due to any other cause beyond such party's reasonable control; provided, however, that you shall not be relieved from your obligations to make any payment(s) to RA as and when due hereunder. In the event of a delay in performance due to any such cause, the time for completion or date of delivery will be extended by a period of time reasonably necessary to overcome the effect of such delay. You may not assign or otherwise transfer this agreement, in whole or in part, without the prior written consent of RA. RA may freely assign or otherwise transfer this agreement, in whole or in part, without your prior consent. This agreement shall be governed by the laws of the State of Wisconsin without regard to any principles of conflicts of law that would apply the laws of another jurisdiction. Any dispute with respect to this agreement shall be exclusively venued in Milwaukee County Circuit Court or in the United States District Court for the Eastern District of Wisconsin. Each party hereto agrees and hereby waives the right to a trial by jury in any action, proceeding or claim brought by or on behalf of the parties hereto with respect to any matter related to this agreement.

# C community advisors, LLC Reserve Study Professionals

January 15, 2024

Ms. Marilee Giles District Manager Governmental Management Services 475 West Town Place, Suite 114 St. Augustine, FL 32092

Re: Level II Reserve Study Update for South Village CDD/Golf Course

Dear Ms. Giles:

Thank you for the opportunity to submit a Reserve Study Update with Site Visit proposal for your District. We only update Reserve Studies that we have initially performed to ensure accuracy and consistency in our work product. We store your project in our electronic database which provides quick access to begin your update therefore reducing time and cost.

Our fee is based on a collaborative effort that includes Management and Golf Course Superintendent. We assume they will furnish equipment inventory and historical cost, golf course plans, recent replacement data and if possible, quantity of greens, bunkers, and other areas.

All work is completed or supervised by Reserve Analyst who have been awarded professional certifications of Certified Construction Inspector (CCI), Professional Reserve Analyst (PRA) and Reserve Specialist (RS) signifying broad experience with successful results. Your reserve study is completed following guidelines for Reserve Studies established by the Association of Professional Reserve Analysts (APRA) and the Community Associations Institute (CAI).

Best Regards,

CRShapparl

Charles R. Sheppard *RS PRA CCI* President & Reserve Analyst

## Scope of Work for The District

### What is Included in

- Limited to component inventory established in previous reserve study dated July 9, 2018, prepared by Community Advisors. Components added since our initial site visit may cause additional cost depending on the quantity. Photos only included for new components. Report will be updated for component remaining life, replacement cost and funding plan generated.
- One revision with limited adjustments is included for your report after your review within 90 days of issue. Additional revisions are invoiced at \$350.00 per issue. One site visit with meeting is included. Additional site visits are invoiced at \$500 plus travel expense each.

#### **Terms of Service**

Physical Analysis

- The site visit includes meeting with your representative to discuss any maintenance or operational concerns. We observe major components to determine quantity, age, condition and remaining useful life. Quantities are determined by field measurement and internet measurement tools or aerial measurement services.
- Building walls, trim and other features are observed from ground level. Flat roofs are observed only if safe fixed ladder access is available. Pitched roofs are observed from ground level. Building Systems are not operated.
- Upon completion of the site visit, an inventory of major components is established which includes quantity, replacement cost and remaining useful life. We recommend you review this information and provide historical cost and previous replacement time for any components.

Financial Analysis

✤ A review of your current funding plan is completed to determine fund status and performance. We provide a funding plan using the Cash Flow Method (pooled cash) with a funding goal of adequate funding which keeps reserves above a percent funded or balance threshold level. If component funding (line item) is used, then full funding is the funding goal.

Your Reserve Study Includes

- Executive summary with current funding status, fund balances and assumptions.
- Cash Flow with 30-year cash flow projection or Component Funding Projection year one only.
- Inventory of major components with replacement cost, useful and remaining life projections.
- Various charts and photographs of major components.
- Completed Report is sent via email in a PDF file. Printed & bound copies available at additional cost.

Payment Agreement & Terms

• To maintain excellent customer service and requested delivery schedules we ask that your acceptance of this proposal is made within 30 days. Signed proposals received after 30 days are subject to revision of delivery time and cost. If indicated a deposit fee may be required with signed agreement to place your project in our production schedule and begin your study. A progress payment may be requested upon completion of site visit depending on the size of the project. Remaining fee is due upon receipt of the preliminary report. Payments not received 30 days after invoice date are assessed a 1.5% late fee per month. After 90 days past, due payments will be subject to addition charges for collection including attorney fees and other reasonable cost incurred by Community Advisors, LLC. Returned checks will be invoiced at \$25.00 each.

Our financial analysis is based on information provided by this client which we assume is accurate. Your report is a guide to be used for future capital component replacement planning, not a complete property inspection analysis. This agreement for consulting services is accepted this date:

Professional Fee: \$4,80	00.00 Deposit Required: -0-
Delivery of Draft Report is typica	ally 4-6 weeks after completion of site visit
Authorized Signature:	Title:
Printed Name:	Date:

  - c. Working with a roofing company to investigate roof leak.

#### 3. Activities/Communications

- a. Facebook 17 new likes in December, 47 new followers Current followers: 3,709
  26 total posts for December Post Reach: 11,254 | Post Engagement: 9,211
- b. Instagram 12 new followers5 total posts for December
- c. Website/App Summary 11/28-12/29: App Usage (Members) 1,258 logins Website Hits - Members 1,545 / Public 8,472
- d. App Downloads New Devices: 8
- e. Email Summary
   Current number of residents receiving 12/27 Your Final 2023 Eagle Landing Update) blast: 2,457
   Open rate of last blast: 56%
- f. 2023 Holiday Lights Competition had 11 homes enter; 1,199 likes in total. The Keys family won with 278 likes.
- g. 2 new resident orientation meetings in December
- h. 12/9 Vendor Holiday Market on Green Great outcome, lots of different vendors to choose from. Will expand vendor quantity in March
- i. 12/16 Saturday with Santa RC & KC– Amazing turnout, not as many as the previous year due to weather and rescheduled cart parade. People loved the ornament-making idea
- j. 12/18 Books & Bagels Meeting CR Went over "Sisters of the Lost Nation" by Nick Medina, changed names to "Books & Banter", had our white elephant Christmas exchange, and chose "The Beach Club" by Erin Hilderbrand. 5 participants.

- k. 12/21 Holiday Lights Golf Cart Parade Estimated 97 carts in participation, great outcome!
- l. 9 facility rentals in December.
- 4. Tennis/Pickleball
  - a. December Holiday Tennis Social had 33 players
  - b. Replaced many windscreens
  - c. Replaced 6 lights and experimenting with LED options for future cost savings and improved quality.
  - d. Pickleball court renovation complete. Grand Opening Party scheduled for January.

#### Golf and Clubhouse Operations:

#### **Golf Operations**

- a. A good weather month in December. We played 4100 rounds.
- b. Weekly member groups had a good turnout in December with 1500 member rounds.
- c. Range sales totaled \$3500 in December, with 700 users.
- d. A good month of sales in the golf shop in December. Sales totaling \$23,000

#### Clubhouse F&B

- a. Solid sales exceeding the budget.
- b. The Holiday seasons brought several events for the holiday, and numerous impromptu gatherings
- c. Football events continued as well as Trivia until the holiday break we inserted the Ugly Sweater party as a trivia replacement, which was well received, and we will keep the event for the future holiday seasons. We returned to a New Year's Eve party, which was appreciated by the residents and plan on creating a larger event next year, possibly incorporating the winter mixer into NYE.
- d. A new spring menu is in development, with some never before offered items, as well as a revamp of the favorites.
- e. We are planning some new resident events to introduce soon, with ideas in development such as; Wine tastings, Painting with a twist, Karaoke, Line dancing classes, and more

#### Golf Course Maintenance

- 1. Wall to wall fertility and pre-emergent applications, excluding overseed areas.
- 2. Two wetting agent applications for firmness and water infiltration.
- 3. Three vertical mowings for continued thatch dilution.
- 4. Three light topdressings to aid in greens firmness.
- 5. Drainage added to number 4 bunker (others will follow suit).

#### Common Areas & Retention Ponds:

- 1. All lakes have been treated and inspected by the Lake Doctors. There have been a few ponds needing retreated but overall in good health.
- 2. Camera additions and upgrades in progress.

#### Landscaping:

- 1. Director of Operations confers with Tree Amigos Landscape on a weekly basis. Grounds are being maintained per the contract.
  - a. Maintenance services provided to Eagle Landing by Tree Amigos December 1<sup>st</sup> thru December 31st 2023.
  - b. Ongoing maintenance per schedule for mowing and detail operations.
  - c. Winter annual flower swithcouts were completed week of Dec. 11
  - d. December irrigation inspection and repairs completed prior to annual swithchout the week of 12/11/23. The irrigation system has been set to run everything 4 days a week. The system is readjusted weekly if needed due to weather conditions. Pocket parks and common areas and signs in Neighborhoods run 3 days a week. Flower zones run every other day. The run schedule remains the same. Rain sensors have been tested and are working correctly.
  - e. Soccer fields were re- treated with herbicide for Torpedo Grass again 12/13/23.
  - f. New flowers in beds were replaced and doing well.
  - g. Shrubs around tennis courts continued to be cut then maintained at mid bar height
  - h. Rose bushes at oakleaf entry were cut back and fertilized and doing well.

#### Misc:

1. Answered numerous phone calls, emails and visits from residents, contractors, vendors and other persons with inquiries. The subjects included, golf course maintenance, easement encroachments, alligators, lake maintenance, directions, repairs, drainage (both County and CDD owned), dead trees, vandalism, security, etc

- 2. Facilities are inspected on a weekly basis
- 3. The parks and playgrounds are inspected weekly and required repairs are made.
- 4. Daily trash pickup along parkway, park sites and common areas.
- 5. Amenity and common area cameras reviewed frequently; recordings provided to CCSO.

Notice	CP160
Tax period	June 30, 2022
Notice date	December 4, 2023
Employer ID number	20-0246087
Page 3 of 5	

If we don't hear from you	<ul> <li>If you don't pay \$34.87 by January 4, 2024, interest will increase and additional penalties may apply.</li> <li>If you don't pay the amount due or call us to make payment arrangements, we will continue to send you annual reminder notices of balance due until the statute of limitations for collection has expired.</li> <li>If the lien is in place, you may find it difficult to sell or borrow against your property. The tax lien would also appear on your credit report—which may harm your credit rating.</li> </ul>
Penalties	We are required by law to charge any applicable penalties.
Failure-to-pay	Description Amount Total failure-to-pay \$1.38
	<ul> <li>We assess a 1/2% monthly penalty for not paying the tax you owe by the due date. We base the monthly penalty for paying late on the net unpaid tax at the beginning of each penalty month following the payment due date for that tax. This penalty applies even if you filed the return on time. We charge the penalty for each month or part of a month the payment is late; however, the penalty can't be more than 25% in total.</li> <li>The due date for payment of the tax shown on a return generally is the return due date, without regard to extensions.</li> <li>The due date for paying increases in tax is within 21 days of the date of our notice demanding payment (10 business days if the amount in the notice is \$100,000 or more).</li> </ul>
	If we issue a Notice of Intent to Levy and you don't pay the balance due within 10 days of the date of the notice, the penalty for paying late increases to 1% per month. For sole proprietors who filed on time, the penalty decreases to 1/4% per month while an approved installment agreement with the IRS is in effect for payment of that tax. (Internal Revenue Code Section 6651)
	For a detailed calculation of your penalty charges, call 833-678-7020.
Removal or reduction of penalties	<ul> <li>We understand that circumstances—such as a serious illness or injury, a family member's death, or loss of financial records due to natural disaster—may make it difficult for you to meet your taxpayer responsibility in a timely manner.</li> <li>We can generally process your request for penalty removal or reduction quicker if you contact us at the number listed above with the following information:</li> <li>Identify which penalty charges you would like us to reconsider (e.g., 2016 late filing penalty).</li> <li>For each penalty charge, explain why you believe it should be reconsidered.</li> <li>If you write us, include a signed statement and supporting documentation for penalty abatement request.</li> <li>We'll review your request and let you know whether we accept your explanation as reasonable cause to reduce or remove the penalty charge(s).</li> </ul>

#### Additional information

Visit www.irs.gov/cp160.

- For tax forms, instructions, and publications, visit www.irs.gov/forms-pubs or call 800-TAX-FORM (800-829-3676).
- Generally, we deal directly with taxpayers or their authorized representatives.
   Sometimes, however, it's necessary for us to speak with other people, such as employees, employers, banks, or neighbors to gather the information we need about a taxpayer's account. You have the right to request a list of individuals we've contacted in connection with your account at any time.
- If you believe your small business has experienced excessive compliance or enforcement actions from any federal agency, you have the right to file a complaint with the Small Business Administration ombudsman. To learn more about your options and the Small Business Regulatory Enforcement Fairness Act, visit www.sba.gov and search for keyword: "ombudsman."
- You can contact us by mail at the address at the top of the first page of this notice. Be sure to include your employer ID number and the tax year and form number you are writing about.
- Keep this notice for your records.

If you need assistance, please don't hesitate to contact us.

Steps to follow:

Check your fuses and breakers to ensure the problem is not within your electrical system.

▶ If the outage is not within your system, report it by calling 888-434-9844

Always stay away from downed power lines.

CONTACT US Phone: 800-224-4917 Web: ClayElectric.com Mailing: PO Box 308 Keystone Heights, FL 32656

#### DOWNLOAD OUR APP:

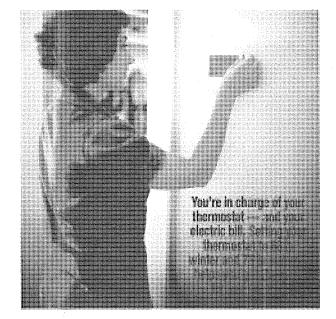

PrePaid gives you the power to pay for electricity daily, weekly or monthly. You can put as little as \$10 on your account after the initial set-up. No deposits, late fees or reconnection fees.

Ask us about PrePaid today!

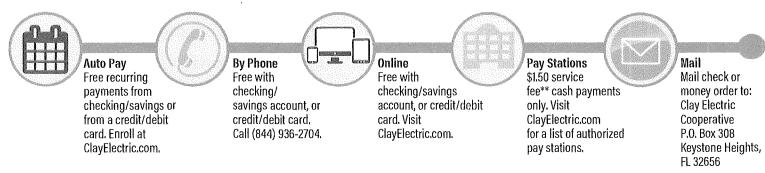

Clay Electric Cooperative, Inc. Decharge Energy Owentery X

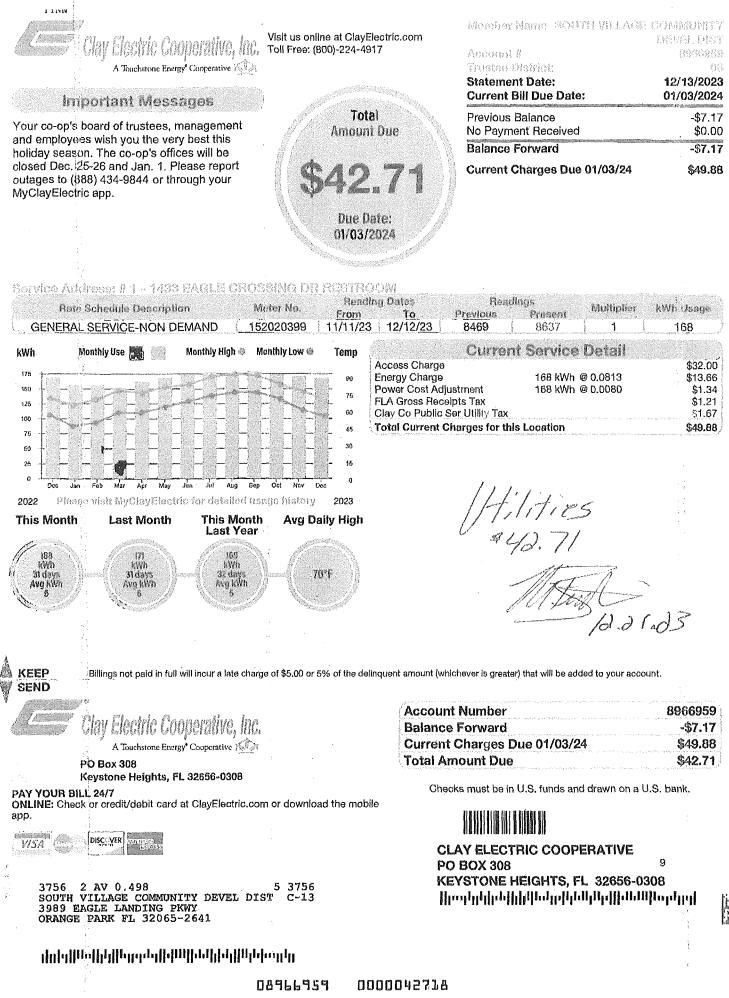

#### **DEFINITIONS:**

Access Charge: The Access Charge recovers some of the fixed costs that come directly from serving an individual member, regardless of how much electricity is used. These costs include the cost of the meter, wire and other equipment used to deliver electricity to the home or business, as well as meter reading technology and billing expenses. All utilities have some type of an access charge. **Power Cost Adjustment:** The Power Cost Adjustment reflects the increases/decreases in the co-op's cost of power purchased wholesale from Seminole Electric Cooperative. The fluctuation in the Power Cost Adjustment is largely caused by changes in the cost of fuel for generation.

**Operation Round Up:** Operation Round Up is a program to generate and collect voluntary donations that are used to benefit organizations in Clay Electric's service area for the purpose of improving the quality of life of our members and their communities.

### BASF

Sale made on behalf of BASF - no right of return

### Bayer

All products listed on this invoice belong to Environmental Science U.S. Inc. and are being handled by us on a consignment basis. The purchase price of these products are set by Environmental Science U.S. Inc. and are to be paid to Harrell's, LLC. as their Agent.

### FMC

Sale made on behalf of FMC - no right of return

### Syngenta

Syngenta is the seller of this product and Harrell's, LLC. is Syngenta's agent for the sale of this product. For convenience, make checks payable to Harrell's, LLC. and remit to Harrell's, LLC PO Box 9355358, Atlanta, GA 31193.

SPECIAL BILLING

### **TERMS & CONDITIONS**

Seller retains title to above listed merchandise until fully paid for. If account is not paid within 30 days from billing date, I agree to pay a finance charge of 1.5% per month which is an annual percentage rate of 18% applied to the previous balance without deducting current payments and/or credits appearing on this statement. I further agree to pay attorney's fees and other collection costs incurred if I shall default in the payment hereof.

COST ASSESSMENT CHRG

Page Accenat Number Billing Date

AT&T charges you this monthly per line amount to recover its ongoing costs incurred for property taxes and supporting the administration of local number portability, a government program that enables customers to retain their telephone number when changing service providers. This fee is not a tax or charge that the government requires AT&T to collect from its customers.

2 of 2 904 291-6097 141 0587 Dec 1, 2023

#### News You Can Use

#### PREVENT DISCONNECT

Thank you for being a valued customer. Please be aware that all charges must be paid each month to keep your account current and prevent collection activities. We are required to inform you that certain charges must be paid in order to prevent interruption of local service. THESE CHARGES ARE ALREADY INCLUDED IN THE TOTAL AMOUNT DUE AND ARE \$146.54. Also, neglecting to pay for remaining charges may result in interruption or removal of these remaining services or further collection action, but will not result in disconnection of your local service. For more information, call the Plans and Services number listed in the Billing Summary section on page 1.

#### CARRIER INFORMATION

Our records indicate that you have selected AT&T Long Distance Service or a company that resells their services as your primary local toll carrier and AT&T Long Distance Service or a company that resells their services as your primary long distance carrier. Please contact us if this does not agree with your records.

#### FEES AND SURCHARGES

AT&T collects monthly fees and surcharges to help recover its required contribution to government programs and to recover costs AT&T pays in taxes and required payments levied by federal, state, and local governments. These fees and surcharges included on your bill are periodically adjusted to align with the rates determined by the government agency that is responsible for the state or federal fund or tax and subject to change at any time without notice to you unless required by law For more information please contact an AT&T Service
