The following is a summary of the discussions and actions taken at the June 3, 2025 meeting.

FIRST ORDER OF BUSINESS **Roll Call**

Ms. Giles called the meeting to order at 6:30 p.m. and called the roll.

SECOND ORDER OF BUSINESS **Audience Comments**

Mr. Warren stated I'm going to ask that the Top Tracer item be continued to next week so that Chris can be here to address it.

Ms. Hughes stated we didn't purchase the property next door because it cost too much and yet we are looking at Top Tracer for $1 million that only benefits certain people in the community or members outside the community.

Mr. Stokes stated everyone I talked to this weekend thought Top Tracer was a horrible idea.

Mr. Smith stated we have a shortfall in golf and food and beverage revenues for the pool versus our current budget. The new budget has increases over last year's budget. That doesn't show a good grasp on budgeting or grasp of operating a business. I'm curious about your goals and plans to make up not only shortfalls in this year's budget but next year's budget.

Mr. Warren stated some of those comments will be addressed. I have asked Troon to explain that.

A resident stated there was a meeting about Top Tracer last Friday that was cancelled but the invitation to that meeting went to the golf members only. This impacts the entire community, not just the golf members. If you continue down the road on this, you need to involve the entire community, not just the few who show up every month.

A resident asked what is the level of membership being invited to this other member only meeting?

Mr. Warren stated it is not supposed to be a members only meeting. I think that is why it got canceled. That is a question for Chris, he didn't feel that he got the information to enough people so he canceled the meeting. If he is meeting with you, we are not allowed to attend.

THIRD ORDER OF BUSINESS **Approval of the Minutes of the May 6, 2025 Meeting**

On MOTION by Mr. Brink seconded by Ms. Osbeck with all in favor the minutes of the May 6, 2025 meeting were approved.

FOURTH ORDER OF BUSINESS **Discussion Items**

A. Reconsideration of Suspension Letter

Ms. Giles stated this resident is here and as a reminder this resident was suspended through July 31, 2025.

Mr. Houck stated last time I was here I apologized for an incident that happened. I appreciate everyone's prayers throughout the community. I'm trying to get back my rights to use the amenities.

Mr. Warren asked are you asking for all amenities? Our understanding is that you were asking for the pool with your children.

Mr. Houck stated I asked in the letter for all the amenities, but I would love the opportunity to get in the pool with my children if I can.

Mr. Warren stated I'm okay giving the pool back. I understand because with the children and what you are dealing with the cancer, but I think we need to hold the line on the rest of the suspension.

Mr. Brink stated I agree but one step further at the pool. No cabana bar at the pool and no alcohol at the café.

Ms. Osbeck stated I'm okay with the pool with the family.

> On MOTION by Ms. Osbeck seconded by Mr. Warren with all in favor only pool privileges were released from the full suspension.

B. Suspension Letter

Ms. Giles stated you were emailed the suspension. This is the one where the resident collided his golf cart with a tree.

Mr. Warren stated he wrecked it after hours when the course was closed.

Mr. Hahn stated this is for the resident only, he has a child who is old enough to use the pool and play golf and he will be able to continue doing that.

> On MOTION by Mr. Brink seconded by Ms. Osbeck with all in favor the resident was suspended for 90 days from all amenities.

C. Top Tracer

This item tabled.

D. Funding of a Maintenance Position

Mr. Zimmer stated there was a discussion last month about the irrigation technician position and there was support for that. Because it wasn't an agenda item, it was added to this agenda. Adding an irrigation technician for the current fiscal year our estimate was $45,000 per year and for the remaining time of this year was around $15,000. It has been added to next year's budget.

> On MOTION by Mr. Warren seconded by Mr. Brink with all in favor funding of an irrigation technician for the balance of the fiscal year in the amount of $15,000 to be taken from the capital reserve was approved.

E. Donor Green

Mr. Zimmer stated we talked with GSI to look at pricing for different scopes on the donor green, whether you build the green to USGA specs, which is putting in drainage, 4" of rock and 12" of greens. You can use a modified scope, this isn't a green that is going to be used on the course you may not need to build it to the same USGA specification. There were various options to bring the cost down. Our recommendation would be to do 5,000 square foot green with 6" of greens mix and the pricing was $5 per square foot and add additional cost for irrigation which is $2 and $2.50 per square foot and brings the total cost between $35,00 and $37,500 to put in a donor green.

Mr. Warren stated since we just got this today, I would like to add this to the continued meeting on Monday.

F. Playground Mulch

This item tabled.

FIFTH ORDER OF BUSINESS Open Items

A. Laurel Valley Monument Signs

Mr. Hahn stated they are getting work done. Every phase needs to be approved by Clay County and they are putting the brick up and then they will be ready for the lettering. The other location is still going through permitting but expect to it released. Alex has been working with them on that.

SIXTH ORDER OF BUSINESS **Consideration of Resolution 2025-05 Approving the Proposed Budget for Fiscal Year 2026 and Setting a Public Hearing Date for Adoption (August 5, 2025)**

Ms. Giles stated Resolution 2025-05 approves the proposed fiscal year 2026 budget and sets the public hearing for August 5, 2025. I sent the board a corrected copy of the FY26 budget and that is in front of you. The audience also has that same corrected copy. There were some changes to the capital reserve fund.

Ms. Buchanan stated the resolution approves the proposed budget and sets the maximum the district can approve. The district can continue to adjust line items to reduce the budget, but this is the max. It also directs staff to provide notice to residents both mailed notice and published of the increase and it has the hearing date for the actual budget adoption.

Ms. Giles stated it starts with the budget summary page that the board asked for and there is a general fund, rec fund, golf fund, capital reserve fund then the debt service funds. It shows the assessment table with a comparison of 2025 against 2026. There is an increase of $108 a year per resident and that includes the increase to the capital reserve fund and also the rec fund.

Mr. Zimmer stated we will start with the rec fund budget. The total amount of revenue we are budgeting to increase to $480,000 next year. The most significant increase is the kids club and lake house as we plan to increase programming and that is a $20,000 increase. Cabana bar increasing $22,000 and pool fees increasing $14,000 and that is the bulk of the revenue increase. Adding the new facilities maintenance position to labor and operating expenses. Also we are adding a parttime admin position split between the golf and rec funds, $10,000 each. We did some reorganizing after Matt left and we shifted the café oversight to Joe and allocated $10,000 of his salary towards the rec fund. A large impact is due to the increase in minimum wage that increase from $13 to $14 in September. The following year it goes from $14 to $15. Overall, with those changes to revenue/expenses the rec fund assessment would be $1,211,000 this year in comparison to $1,143,000 in the current budget year.

Some of the wording on the line items could use some clarification and consistency. As an example under the rec fund it is listed as insurance and under the golf fund it is listed as property insurance. We have more detail on the line items and it gets condensed when it moves into the CDD format.

Mr. Warren stated you put an increase in revenue this year and if we don't hit that revenue then that loss would be larger. Can you explain why you have this ambitious goal of hitting the new revenue mark? If we don't hit it, what do we have in place to make sure we don't compound the loss?

Mr. Zimmer stated that is related to the golf fund.

Lessons and clinics, summer camps, golf fund, golf course conditions, rounds of golf, cart fees, trail fees, increase public rates in stages, food and beverage increase in revenues, membership dues, golf ops labor increased.

Expense side, factor in 3% increase in operating expenses, adding new maintenance equipment lease, $80,000 increase over current year.

In total the new positions account for an increase of $160,000, minimum wage impact is $100,000, 3% operating expenses is $45,000, maintenance equipment leases $80,000. That is driving the increases in expenses year over year. That brings the total budget for the golf fund to a loss just over $100,000.

Mr. Warren stated there is a $40,000 loss on the golf side and $60,000 on the restaurant side. Do we see the restaurant as an amenity or standalone. There are times we spend more money to keep it open.

Mr. Brink stated we came up with strategies to increase the revenue and cut expenses, close cabana bar in winter months, streamline service, close the restaurant on Monday and Tuesday.

Mr. Zimmer stated we would like to touch on the capital reserves if there are any questions I'm happy t discuss that. The total amount does fall in line with the capital reserve study, it doesn't go one to one necessarily in terms of exactly what was recommended. Part of that is how we are planning to replace HVAC versus what the schedule is. We do have $515,000 of capital projects outlined for FY26.

Ms. Giles stated tonight you will approve the FY26 budget and over the next couple of months we will move line items around and when you adopt it, you can reduce the $108 increase or adopt it as is.

On MOTION by Mr. Warren seconded by Mr. Brink with all in favor Resolution 2025-05 approving the fiscal year 2026 budget and setting a public hearing for August 5, 2025 was approved.

SEVENTH ORDER OF BUSINESS Staff Reports

A. General Manager - Report

Mr. Hahn reviewed the operations report and stated I have put together a complete list of every project we talked about and I will share that will Sean and his team when he comes on board to have a clear understanding of all the projects we have going on. I will make sure he has everything in front of him and is comfortable with what needs to be completed as quickly as possible. I shared with you the action items from last month's meeting and we were able to get pretty much everything accomplished and we will continue to do that.

Mr. Zimmer stated last month the board approved moving forward with Maintain X program and we are hitting the pause button on that until we get the new director of facilities in place since that person will be key to both getting that established and utilizing the system. This will be Jims last board meeting today and I want to recognize Jim and thank him for his time and efforts as his tenure as the GM, which goes back to 2018 he has accomplished a lot and has put in a lot of sweat equity into the facility and we are much better off for it. I really appreciate everything he has done and wish him the best going forward. Sean Biggs is here tonight and he will be our new general manager, his official start date is a week from today. Sean lives locally and has worked for Troon in the past at a club in South Florida and has a wealth of knowledge on the food and beverage side, a PGA member, CMA member and has a very diverse background. He also worked for the Nocatee CDD and is familiar with CDDs.

Mr. Halifco stated we are getting quotes on some equipment replacement, which falls under $10,000. The furniture looks like it may be above the spend limit, club patio furniture is very expensive. We are looking at some options that are less fabric related and we will bring those options to the table when we have the quotes.

B. District Counsel

There being none, the next item followed.

C. District Manager

Ms. Giles stated just a reminder your form1 is due July 1st. Your ethics training is due by December 31st.

D. District Engineer

EIGHTH ORDER OF BUSINESS Supervisor's Requests

Additional comments: Software roll out for Maintain X is on pause, market and more products to sell such as sunscreen, two cooktops are being replaced, shape of patio furniture is bad, café, traffic cones and barricades by stoplight, plan to repair or replace the flooring behind the bar, great opening weekend for the pool, possibly have food/beverage service on pool deck, damage on golf course, put cameras on golf course, to get past members to join again perhaps drop initiation fee or have other incentive, thanks to Mr. Hahn for his time and work as GM.

NINTH ORDER OF BUSINESS Audience Comments

Additional comments: Sign at front entrance looks horrible, plan to publicize the continued meeting, not in favor of closing the restaurant two days a week in favor of promoting restaurant use, suspensions are for all the amenities, suspensions should be more uniform, question $140,000 in rec fund with no plan, golf rounds year over year are down, need security on donor green area, can't justify manpower at restaurant for low usage, three speakers added to surround sound system, options for light pole that was removed, water fountain at dog park needs to be replaced, drip flange around the roof of the bathroom at dog park was improperly installed then improperly fixed, no response to emails reporting issues at dog park, lock system does not work at dog park, sound machine to scare the birds should not be on during the daytime, consider splash zone instead of kiddie pool.

In the report to management there was one prior year finding several years ago for which we did a budget amendment and it should drop off and we shouldn't see it again. Finding 21-01 and it shows that expenditures of the general and special revenue funds exceeded the approved budget amounts and we should have done a budget amendment in that year. The recommendation is the district should monitor the expenditures in future years and management's response to the audit firm was, we will monitor future years to ensure budget compliance. If you overspend in a particular fund we just need to do a budget amendment that is what we didn't do in 2021. It is still a clean audit.

RESOLUTION 2025-07
[FY 2026 ASSESSMENT RESOLUTION]

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE SOUTH VILLAGE COMMUNITY DEVELOPMENT DISTRICT PROVIDING FOR FUNDING FOR THE FY 2026 ADOPTED BUDGET(S); PROVIDING FOR THE COLLECTION AND ENFORCEMENT OF SPECIAL ASSESSMENTS, INCLUDING BUT NOT LIMITED TO PENALTIES AND INTEREST THEREON; CERTIFYING AN ASSESSMENT ROLL; PROVIDING FOR AMENDMENTS TO THE ASSESSMENT ROLL; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the South Village Community Development District ("**District**") is a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes,* for the purpose of providing, operating and maintaining infrastructure improvements, facilities and services to the lands within the District, located in Clay County, Florida ("**County**"); and

WHEREAS, the District has constructed or acquired various infrastructure improvements and provides certain services in accordance with the District's adopted capital improvement plan and Chapter 190, *Florida Statutes*; and

WHEREAS, for the fiscal year beginning October 1, 2025, and ending September 30, 2026 (**"FY 2026"**), the Board of Supervisors ("**Board**") of the District has determined to undertake various operations and maintenance and other activities described in the District's budget (**"Adopted Budget**"), attached hereto as **Exhibit A**; and

WHEREAS, pursuant to Chapter 190, *Florida Statutes*, the District may fund the Adopted Budget through the levy and imposition of special assessments on benefitted lands within the District and, regardless of the imposition method utilized by the District, under Florida law the District may collect such assessments by direct bill, tax roll, or in accordance with other collection measures provided by law; and

WHEREAS, in order to fund the District's Adopted Budget, the District's Board now desires to adopt this Resolution setting forth the means by which the District intends to fund its Adopted Budget.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE SOUTH VILLAGE COMMUNITY DEVELOPMENT DISTRICT:

1. **FUNDING.** The District's Board hereby authorizes the funding mechanisms for the Adopted Budget as provided further herein and as indicated in the Adopted Budget attached hereto as **Exhibit A** and the assessment roll attached hereto as **Exhibit B** ("**Assessment Roll**").

2. **OPERATIONS AND MAINTENANCE ASSESSMENTS.**

   a. Benefit Findings. The provision of the services, facilities, and operations as described in **Exhibit A** confers a special and peculiar benefit to the lands within the District, which benefit exceeds or equals the cost of the assessments. The allocation of the assessments to the specially benefitted lands is shown in **Exhibit A** and **Exhibit B** and is hereby found to be fair and reasonable.

b. O&M Assessment Imposition. Pursuant to Chapter 190, *Florida Statutes*, a special assessment for operations and maintenance ("**O&M Assessment(s)**") is hereby levied and imposed on benefitted lands within the District and in accordance with **Exhibit A** and **Exhibit B**. The lien of the O&M Assessments imposed and levied by this Resolution shall be effective upon passage of this Resolution.

c. Maximum Rate. Pursuant to Section 197.3632(4), *Florida Statutes*, the lien amount shall serve as the "maximum rate" authorized by law for operation and maintenance assessments.

3. **DEBT SERVICE SPECIAL ASSESSMENTS.** The District's Board hereby certifies for collection the FY 2026 installment of the District's previously levied debt service special assessments ("**Debt Assessments**," and together with the O&M Assessments, the "**Assessments**") in accordance with this Resolution and as further set forth in **Exhibit A** and **Exhibit B**, and hereby directs District staff to affect the collection of the same**.**

4. **COLLECTION AND ENFORCEMENT; PENALTIES; INTEREST.** Pursuant to Chapter 190, *Florida Statutes,* the District is authorized to collect and enforce the Assessments as set forth below.

a. **Tax Roll Assessments.** To the extent indicated in **Exhibit A** and **Exhibit B**, those certain O&M Assessments (if any) and/or Debt Assessments (if any) imposed on the "**Tax Roll Property**" identified in **Exhibit B** shall be collected by the County Tax Collector at the same time and in the same manner as County property taxes in accordance with Chapter 197, *Florida Statutes* ("**Uniform Method**"). That portion of the Assessment Roll which includes the Tax Roll Property is hereby certified to the County Tax Collector and shall be collected by the County Tax Collector in the same manner and time as County property taxes. The District's Board finds and determines that such collection method is an efficient method of collection for the Tax Roll Property.

b. **Future Collection Methods.** The District's decision to collect Assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

5. **ASSESSMENT ROLL; AMENDMENTS.** The Assessment Roll, attached hereto as **Exhibit B,** is hereby certified for collection. The Assessment Roll shall be collected pursuant to the collection methods provided above. The proceeds therefrom shall be paid to the District. The District Manager shall keep apprised of all updates made to the County property roll by the Property Appraiser after the date of this Resolution and shall amend the Assessment Roll in accordance with any such updates, for such time as authorized by Florida law, to the County property roll.

6. **SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.

7. **EFFECTIVE DATE.** This Resolution shall take effect upon the passage and adoption of this Resolution by the Board.

PASSED AND ADOPTED THIS 5TH DAY OF AUGUST 2025.

UPGRADES

The options and features associated with the service for your unit are priced based upon options and features selected by you and available on your contract start date. Additional features and options released after your contract start date may not be available to you or may be made available to you only at additional cost. These features are designed to operate in the current technological environment.

OTIS SERVICE EQUIPMENT, SOFTWARE, AND ANALYTICS

Any counters, meters, tools, machinery, remote monitoring devices, or communication devices which we may use or install under this Contract remain our property, solely for the use of Otis employees. Such service equipment is not considered a part of the Units. You grant us the right to store or install such service equipment in your building and to electrically connect it to the Units. You will restrict access to the service equipment to authorized Otis personnel. You agree to keep the software resident in the service equipment in confidence as a trade secret for Otis. You will not permit others to use, access, examine, copy, disclose or disassemble the service equipment or the software resident in the service equipment for any purpose whatsoever. If the Contract or service is terminated for any reason, we will be given access to your premises to remove the service equipment, including the resident software, at our expense.

Software owned by Otis may be embedded in parts or otherwise provided by Otis as part of this Contract. Otis grants to you the non-exclusive right to use this software only for operation of the units for which the part was provided. You may not otherwise copy, display, adapt, modify, distribute, reverse assemble, reverse

compile, disassemble, decompile, or otherwise translate the software. You will not transfer possession of the software except as part of a transfer of ownership of the Units and the assumption of the rights and obligations under this Contract by the transferee.

Otis may at its sole and absolute discretion employ remote diagnostics and predictive analytics to provide customized service and improve efficiency and increase your satisfaction ("Otis Service Software" or "Service Software"). The Otis Service Software is an Otis trade secret deployed pursuant to your service contract to enhance our efficiency and your experience with Otis service. The data generated by these Otis service diagnostic and predictive analytical tools shall be and remain the property of Otis. You agree to keep the Service Software in confidence and proprietary to Otis. You will not permit others to use, access, examine, copy, disclose, reverse engineer, decompile or disassemble the Service Software for any reason. Upon termination of this Contract, regardless of the reason, Otis may disable either remotely and/or via onsite visit (which you hereby permit) such Service Software. You retain your rights to any software not provided by Otis contained in the Units and agree to allow Otis to make one backup or archival copy of such software.

QUALITY AUDITS

Otis may periodically conduct audits not only to assess the functionality of your equipment, but also to assess more broadly Otis product and service offerings, to understand usage, performance, or to simply evaluate the products and determine next generation. Otis shall own this information. This audit activity may be done on-site by Otis personnel or remotely through Otis Service equipment installed on your unit depending upon the audit purpose.

MAINLINE DISCONNECTS

You agree to engage a qualified electrician on an annual basis to service the elevator mainline disconnects located in the elevator equipment room.

ACCESS

You agree to provide us with a safe workplace as well as unrestricted ready and safe access to all areas of the building in which any part of the Units are located and to keep all machine rooms and pit areas free from water, stored materials, debris, and other potentially hazardous conditions.

ENVIRONMENTAL PROTECTION

Otis has practices in place to reduce generation of waste materials, to minimize risks to the environment, customers, the general public and Otis employees, and to comply with federal and state environmental laws and regulations. Material Safety Data Sheet (MSDS) Manuals are available for review at your request. You assume responsibility for and agree to remove and remediate any waste or hazardous materials including but not limited to hydraulic oil spills, asbestos, or other hazardous materials in accordance with applicable laws and regulations.

MALFUNCTIONING UNITS OR DANGEROUS CONDITIONS

If any Unit is malfunctioning or is in a dangerous condition, you agree to immediately notify us using the 24-hour OTISLINE™ service. Until the problem is corrected and the malfunction or dangerous condition is eliminated, you agree to remove the Unit from service and take all necessary precautions to prevent access or use.

INSTRUCTIONS / WARNINGS

You agree to properly post, maintain, and preserve any and all instructions or warnings to passengers in connection with the use of any Units.

LOCK OUT / TAG OUT ("LOTO")

In furtherance of OSHA's directive contained in 29 C.F.R. § 1910.147(f)(2)(i), which requires that a service provider (an "outside employer") and its customer (an "on-site employer") must inform each other of their respective lock out/tag out ("LOTO") procedures whenever outside servicing personnel are to be engaged in control of hazardous energy activities on the customer's site, Otis incorporates by reference its mechanical LOTO procedures and its electrical LOTO procedures. These procedures can be obtained at www.otis.com by clicking on "Tools & Resources" on the home page, selecting "Lockout Tagout Policy" under the "Safety Information" column and downloading the "Lockout Tagout Policy Otis 6.0" and "Mechanical Energy Policy Otis 7.0," or the then most current version, both of which are in .pdf format. You agree that you will disseminate these procedures throughout your organization to the appropriate personnel who may interact with Otis personnel while Otis personnel are working on site at your facility and will ensure that such personnel comply with these LOTO procedures while Otis personnel are working on site.

WIRING DIAGRAMS

You agree to provide us with current wiring diagrams reflecting all previously made changes for Units covered by this Contract to facilitate proper maintenance of the equipment as set forth in this Contract. Otis shall maintain the wiring diagrams so that they properly reflect any changes made by Otis to the equipment. These diagrams will remain your property.

SERVICE TOOLS

You are responsible to secure our right to use any special service tools required to maintain your non- Otis equipment. These tools must be provided prior to us beginning maintenance on such equipment.

RESPONSIBILITY FOR THE UNITS

It is agreed that Otis does not assume possession or control of the Units, that such Units remain yours solely as owner and operator, lessee, or agent of the owner or lessee, and that you are solely responsible for all requirements imposed by any federal, state, or local law, Code, ordinance or regulation.

APPLICABLE CODE AND VIOLATIONS

Notwithstanding any other provision to the contrary (including without limitation provisions regarding order of precedence) whether in this document or any other contract document, Otis' work shall be performed in accordance with the applicable law, code, or regulation in effect on the date that Otis submitted to you it's initial proposal and not any subsequently changed, amended, altered, or implemented law, code, or regulation.

You assume responsibility for the cost of correcting all Elevator Code violations existing as of the Commencement Date, as well as throughout the duration of the Contract. If such Elevator Code violations or other outstanding safety violations are not corrected in accordance with this Contract, Otis may, in addition to any other remedies resulting from material breach of your obligations hereunder, with respect to the equipment not meeting Elevator Code requirements, cancel and remove such equipment from this Contract without penalty to Otis by providing thirty (30) days written notice.

THIRD PARTY INTERFACE

Should you require us to interface with a third party, Otis will add an appropriate fee to cover the additional cost associated with this service.

ELECTRICAL AND LIGHTING REQUIREMENTS

You agree to provide a grounded, 3-prong electrical system and proper lighting in the machine rooms and pits.

ACCIDENT

You will provide Otis with written notice within twenty-four (24) hours after occurrence of any accident or incident in or about the elevator (s) and/or escalator(s) that leads to any injury or is alleged to cause any injury. You will provide such written notice to us, and if required by law, to any local authorities. You further agree to preserve any parts that are replaced after such an incident.

ENTRAPMENT

In the event of an entrapment, you will call Otis and wait for a trained and licensed elevator mechanic to arrive, except for a medical emergency situation where it may be appropriate to summon a professional first responder such as police or firemen. You agree that your agents, contractors, employees or representatives shall not attempt to extricate any passengers from an elevator that becomes stalled within the hoistway. Any entrapment responded to by Otis shall be treated as a chargeable service request unless otherwise deemed covered under this Contract by Otis.

ALTERATIONS

You will not allow others to make alterations, additions, adjustments, or repairs to the units.

TELEPHONE

Otis shall not be liable for any claim, injury, delay, death or loss or property, or damage resulting from telephone equipment failure, false alarms, interruption of telephone service, or "no voice calls", i.e. calls from inside the equipment to OTISLINE™ where there is no verbal response to the OTISLINE™ operator. It is your responsibility to maintain the telephone equipment and have a representative available to receive and respond to OTISLINE™ calls.

PRIVACY

The products and/or services being provided may result in the collection of Personal Information. The Parties will comply with applicable Data Privacy Laws as they pertain to personal information processed in connection with activity under this Contract. "Personal Information" shall mean information and data exchanged under this Contract related to an identifiable natural person. "Processing" of Personal Information shall mean the operation or set of operations whether automated or not, performed on Personal Information such as collecting, recording, organizing, structuring, storing, adapting, altering, retrieving, consulting, using, disclosing, sharing or erasing. "Controller" shall mean the party that determines the purposes and means of processing Personal Information. With respect to any Personal Information provided by you to Otis, you shall be the Controller and you warrant that you have the legal right to share such Personal Information with Otis and you shall be responsible for all obligations relating to that data, including without limitation providing notice or obtaining consent as may be required by law. Once you have lawfully provided Personal Information to Otis, you and Otis shall become co-Controllers. Otis may share such Personal Information internally, across borders and with service providers in accordance with applicable Data Privacy Laws. Otis may transfer information subject to corporate rules of its parent company. Otis may store Personal Information provided by you on servers located and accessible globally by Otis or its parent and their services providers. The parties agree to cooperate and to take reasonable commercial and legal steps to protect Personal Information against undue disclosure. In this regard each party shall notify the other in the event of a data breach, which shall include the actual or unauthorized access to or possession of, or the loss or destruction of, Personal Information, whether intentional or accidental. The party whose system was compromised in the data breach incident shall be responsible for any notifications and associated costs. Should either party receive in any form, (i) a complaint or allegation indicating a violation of applicable data privacy law, (ii) a request seeking access to correct or delete Personal Information or (iii)

an inquiry or complaint related to the processing of personal information, said party shall take reasonable commercial steps to immediately notify the other party.

PURCHASE ORDERS

Any purchase order issued by you in connection with services to be provided by Otis shall be deemed to be issued for your administrative or billing identification purposes only, and shall not be binding upon Otis under any circumstance. The parties agree that the terms and conditions contained herein will exclusively govern the services to be provided.

MATERIAL BREACH BY CUSTOMER

Failure to pay any sum due by you within sixty (60) days will be considered a material breach under this Contract. You agree to pay a late charge from the date such sums become due of one and one-half percent (1.5%) per month (18% per annum), or the highest legally permitted rate, whichever is less, on any balance past due for more than thirty (30) days, together with all costs (including, but not limited to, legal fees) incurred by us to collect any overdue amounts. In addition, the following events shall constitute a material breach of your obligations under this Contract: (1) failure to notify Otis of a dangerous condition or malfunction, or for a Unit that has a dangerous condition or is malfunctioning, to take the unit out of service; (2) failure to provide unrestricted and safe access to all areas of the building in which any part of the Units are located; (3) failure to provide a safe workplace or failure to adhere to our safety requirements; (4) failure to remove hazardous waste; (5) failure to adhere to lock-out/tag-out procedures; (6) failure to upgrade, improve or modernize the Units if Otis reasonably determines that such Units are unsafe to employees, inspectors or the riding public without such upgrades, improvements or modernization; and/or (7) failure to correct Elevator Code violations. In the event of a material breach by you, Otis shall be entitled to immediately suspend the affected Units or terminate service without prejudice to Otis, at its sole discretion.

TERMINATION FOR CUSTOMER'S BREACH

If this Contract is terminated for your material breach or for any reason other than our own default, you agree to immediately pay as liquidated damages, fifty percent (50%) of the remaining amount due under the current term of this Contract. The parties agree that quantifying Otis' losses arising from your material breach or premature termination would be difficult and uncertain, and further agree that the agreed upon formula is not a penalty, but rather a reasonable measure of Otis' damages which are based on Otis' experience in the elevator service industry and the losses that may result from such premature termination or material breach of this Contract.

TRANSFER OF INTEREST IN PROPERTY

In the event that you sell the property or your interest in the property is terminated prior to the expiration of the Contract, you agree to undertake best efforts to assign the Contract to the new owner or successor and to cause the new owner to assume your obligations under this Contract. If the new owner or successor fails to assume your obligations under the Contract, then you agree immediately to pay to Otis fifty percent (50%) of the remaining amount due under the unexpired term of the Contract as liquidated damages. The parties agree that quantifying Otis' losses arising from the failure of the new owner or successor to assume this Contract would be difficult and uncertain, and further agree that the agreed upon formula is not a penalty, but rather a reasonable measure of Otis' damages which are based on Otis' experience in the elevator service industry and the losses that may result from such failure to assume upon a transfer.

FORCE MAJEURE

Otis shall not be liable for any loss, damage or delay due to any cause beyond our reasonable control including, but not limited to, acts of government, strikes, lockouts, other labor disputes, fire, explosion, theft, floods, water damage, weather damage, extreme weather, traffic conditions, epidemic, pandemic,

quarantine (including Covid-19), sabotage, national emergency, act of terrorism, earthquake, riot, civil commotion, war or insurrection, vandalism, misuse, abuse, mischief, or acts of God or nature.

LIMITATION ON DAMAGES

Other than as specifically set forth above, under no circumstances (including third party claims) will either party be liable for any indirect, special, liquidated, or consequential damages of any kind, including, but not limited to, fines or penalties, loss of profits, loss of rents, loss of good will, loss of business opportunity, additional financial costs, or loss of use of any equipment or property, whether in contract, tort, warranty or otherwise.

INDEMNITY

Otis shall indemnify you for damages related to accidents and injuries to persons or property only when adjudged to have been caused by Otis' sole negligence or willful misconduct. In all other instances, you shall defend, indemnify, and hold Otis harmless against all, damages, losses, costs, and expenses (including reasonable legal fees) in connection with any claims, demands, suits or proceedings made or brought against Otis arising out of or connected with the use, repair, maintenance, operation or condition of the Units or your obligations under, or material breach of, this Contract.

INSURANCE

Otis agrees to maintain the following insurance throughout the term of the Contract: General Liability coverage in the amount of $1,000,000 per occurrence and $2,000,000 in the aggregate; Automobile Liability in the amount of $1,000,000 Combined Single Limit for Bodily Injury and Property Damage; Worker's Compensation in accordance with applicable statutory requirements, and Employer's Liability for: (i) bodily injury by each accident, up to the $1,000,000 applicable annual limit per insured, (ii) bodily injury by disease, each employee up to the $1,000,000 applicable annual limit per insured. We shall maintain worker's compensation and employers' liability insurance covering our liability for injury or death sustained by our employees, and comprehensive general liability insurance. You shall insure that all risk insurance upon the full value of the Work and material delivered to the job site is maintained at no cost to us. Otis does not participate in SDI programs.

Customer must provide Otis at least 30 days advance notice of certificate holder changes required. Your failure to provide this required notice does not release your obligations to make timely payment under this agreement in accordance with the payment terms.

CERTIFICATES

If either party so requires, in writing, the other party shall furnish a copy of the certificates of insurance evidencing the above insurance coverages.

THIRD PARTIES

We are not obligated to comply or contract with any 3rd party vendors or execute vendor forms not in alignment with our contract terms. While we are not obligated, to the extent that we agree to work with the third party vendor, it will be for administrative purposes only and any costs associated will be passed through to customer. In the event of a conflict between the terms and conditions of this agreement and vendor agreement, this document will prevail.

CONFIDENTIALITY

Customer shall not disclose to any third party the terms of this Contract except as required by law or as necessary for the purposes of obtaining professional legal or accounting advice. This confidentiality

provision is an integral part of this Contract and is a material condition upon which this Contract is based and shall survive the termination of this Contract.

ENTIRE CONTRACT

This Contract constitutes the entire and exclusive agreement between us for the services to be provided and your authorization to perform as outlined herein. Except as otherwise expressly stated herein, all prior or contemporaneous oral or written representations or agreements regarding the subject matter herein not incorporated herein will be superseded.

This Contract will be deemed voidable, even after execution, if it is determined at Otis' discretion that performance of the services and/or engagement in the contractual relationship/transaction will violate, or is otherwise restricted by, any and all laws, regulations and/or orders, including sanctions laws, that are applicable to Otis or otherwise apply to Otis' operations.

OUT OF SCOPE SERVICES

To the extent that work order or purchase order numbers are required for work not included in the scope of this agreement, you agree to provide the required information at the time of service request. Failure to provide all required valid information at the time of the service request does not release your obligations to make payment for completed out of scope services in accordance with the payment terms of this agreement.

AMENDMENT

This Contract may not be changed, modified, revised or amended unless in writing signed by you and an authorized representative of Otis. Further, any manual changes to this form will not be effective as to Otis unless initialed by an authorized representative of Otis.

TERMS AND CONDITIONS OF ORDER

1. Acceptance and Delivery. Seller shall not be responsible for any delay in its performance beyond its control or beyond the control of its suppliers. The parties agree that, unless otherwise agreed to in writing and signed by both parties, shipping dates are approximate and that time is not of the essence. All orders by Buyer constitute offers to purchase which are subject to acceptance or rejection by Seller in Omaha, Nebraska and any contract for the sale of goods by Seller is formed and performed in Nebraska. If an item is backordered, Buyer may cancel such order at any time by providing notice of cancelation to Seller.

2. Payment Terms. Payment terms shall be governed by the terms on the packing slip or invoice and the credit terms extended by Seller, if any. Any such credit terms may be revoked by Seller at any time. Payment shall be due and payable on the date so specified. Past due balances remaining unpaid will be subject to a delinquency charge at the rate of 1½ percent per month or the maximum rate permitted by law, whichever is less; and Buyer shall pay all Seller's costs of collection of past due amounts, including but not limited to attorney fees and court costs. If credit terms are extended to Buyer, Buyer hereby grants a security interest in the merchandise purchased by Buyer and all proceeds from the sale or disposition of such merchandise and appoints Seller as Buyer's attorney-in-fact to execute on Buyer's behalf any Uniform Commercial Code financing statements Seller deems reasonably necessary to perfect Seller's security interest. Buyer agrees to pay $40.00 per check on all returned or insufficient funds checks. If Buyer makes payments by credit card or other charge account, Seller agrees and acknowledges that Buyer tenders payment for each order and Seller is authorized to charge Buyer's credit card or other charge account (whether Seller or a third party is the creditor) only as of the day Seller ships the order and only in respect to the merchandise shipped. Seller has no authorization or right to payment prior to the day Seller ships the merchandise ordered by Buyer.

3. Warranty and Risk of Loss. Seller shall, at its election, either repair, replace, or refund the purchase price, exclusive of shipping and handling charges, for any merchandise which is defective in workmanship or material and for which Buyer makes a claim within five (5) days after receipt of the merchandise. When making such a claim, Buyer must submit both the original packing slip and the defective merchandise itself (or a sample thereof), unless these conditions are waived by Seller in writing. This paragraph constitutes Seller's sole obligation as to the merchandise, and the Buyer acknowledges that this paragraph sets forth Buyer's exclusive remedy for any breach of warranty or other duty related to the merchandise or quality thereof. Any refund for merchandise shall not include shipping and handling, unless otherwise agreed by Seller in writing. At its discretion, Seller may charge a restocking fee, not to exceed twenty-five percent (25%) for returned merchandise. Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

News you can use

Credit card payment update
Beginning in 2025, a 2-3% processing fee will be added when using a credit card to make one-time payments. If you prefer to avoid paying the credit card processing fee, you can use one of the following payment methods: Debit Cards, ACH Transfers, Electronic Funds Transfers (EFT), Checks. If you prefer using a credit card, no action is required. We will process payment as usual, but with the added 2-3% processing fee.

Important information

Late payment charge
Late payment charges for Corporate Responsibility User (CRU) accounts are applied according to applicable contracts.

Electronic check conversion
Paying by check authorizes AT&T to use the information from your check to make a one-time electronic fund transfer from your account. Funds may be withdrawn from your account as soon as your payment is received. If we cannot process the transaction electronically, you authorize AT&T to present an image copy of your check for payment. Your original check will be destroyed once processed. If your check is returned unpaid you agree to pay such fees as identified in the terms and conditions of your agreement, up to $30. Returned checks may be presented electronically.

Company fees & surcharges
AT&T imposes additional charges on a per line basis, including federal and state universal service charges, an Administrative Fee (to defray certain expenses including charges AT&T or its agents pay to interconnect with other carriers to deliver calls from AT&T customers to their customers, and charges associated with cell site rents and maintenance), a Regulatory Cost Recovery Charge (to recover costs of compliance with certain government imposed regulatory requirements, including Wireless Number Portability and Number Pooling, and E911), and a Property Tax Allotment surcharge applied per Corporate Responsibility User's assigned number. These fees are not taxes or charges that the government requires AT&T to collect from its customers. See att.com/mobilityfees for details.

Wireless DirectBill charges
Detail of DirectBill charges can be viewed at att.com/db. The direct billing option offers you the ability to purchase content, goods and features such as apps, games, donations, and services from AT&T and other companies by applying charges to your wireless account.
